SUPERYACHT COLLECTION

Your Window into Luxury

## CHAIRMAN'S NOTE

**Mohammed Hussain Alshaali**  
*Chairman*

Gulf Craft was born in 1982 out of a love for the sea, a passion for building and a firm belief that the success of the Emirates should be based around productive industry – three key pillars that still support what the company does three decades since we first began.

35 years is a long time, and as the Emirates has undergone a sea change in terms of progress, prosperity and prominence on a global stage, we are privileged to have been both a witness to this transformation and a fellow traveler – growing from a humble Emirates based boat builder to a globally respected shipyard with a presence in more than 40 countries worldwide.

Over the years, we have measured our success on the continued confidence and loyalty of our customers and business partners and our ability to maintain a 100% delivery track record – successfully delivering more than 9,000 craft since we first began, across a spectrum that ranges from family fishing boats to the most luxurious superyachts.

The Majesty Yachts brand is in many ways Gulf Craft's flagship brand – representing the epitome of our engineering and design sophistication, our ability to translate our clients' vision into luxurious reality and our ambitions to build bigger and better yachts in the years to come.

# LOOKING AHEAD

**Erwin Bamps**  
*Chief Executive Officer*

As a company, Gulf Craft finds itself in a very fortuitous position – both in time and space.

Celebrating 35 years is a good period to acknowledge the company's growth and success over the past three decades but it is also the perfect time to look ahead to what is to come.

Geographically, Gulf Craft is positioned in a very strategic location – close enough to the traditional yacht markets of Europe and poised on the very edge of fast-growing Asia.

With the launch of the Majesty 155, Gulf Craft has proven its capabilities – in terms of innovation and ability to both anticipate and deliver what the global market wants in size and sophistication.

Gulf Craft continues to invest in equipment capable of handling larger and more technically challenging builds and skilled workmanship capable of meeting more demanding requests, proving Gulf Craft's long-term confidence in the global superyacht market and our own position within it.

Gulf Craft is  
favored in both  
regional and  
international  
markets

# COMPANY HISTORY

In 1982 Mohammed Hussein Alshaali along with his brothers Abdullah and Jamal, and Dr. Mohammed Hamdan, their long-standing friend, established Gulf Craft in the United Arab Emirates – driven by an entrepreneurial spirit, a love for the sea and a firm belief that the long-term success of the nation lay in the manufacturing industry.

Under Alshaali's guidance, Gulf Craft has grown from being a manufacturer of small pleasure craft in 1982, to a yacht manufacturer in 1991 and a globally respected builder of superyachts since 2000.

Gulf Craft, the world's innovative builder of luxury yachts and leisure boats, has served the aspirations of passionate seafarers for more than three decades. The award-winning manufacturer is one of the world's leading superyacht shipyards, a merit it has achieved through continuous investment in research and development.

Founded in the Emirates in 1982, Gulf Craft continues to redefine the on-water living experience with its wide variety of premium craft, ranging from 27 feet to 155 feet in length. Deploying advanced technology, powerful engineering, and timeless design, Gulf Craft builds each creation to meet the diverse requirements of its discerning clientele, transforming travel by sea into a journey worth indulging in.

With an expanding portfolio that includes the enchanting Majesty Yachts, the oceangoing Nomad Yachts, Silvercraft fishing boats and family cruisers, and Oryx sport yachts and cruisers, Gulf Craft has built an enduring legacy.

## // TIMELINE

### 1982

With a modest 218,000 square foot facility in Ajman, UAE, Gulf Craft starts producing 14 foot runabouts for the local market.

### 1997

Launch of the Majesty 86.

### 2001

Gulf Craft's largest manufacturing facility opens in Umm Al Quwain in the Middle East, complete with 150 ton travel lift and launching bay. Launch of the Millenium 118, Gulf Craft's first superyacht over 30m.

### 1992

The Adora 53, the first complex yacht to be built by Gulf Craft is launched. This craft would remain one of the most desirable and popular yacht models in the Middle East for years to come.

### 2000

A new 100,000 square foot facility producing top-quality yachts, pleasure boats, and rapid transport vessels is launched in the Maldives.

### 2003

Building on the success of milestone projects like the Majesty 86 and Millenium 118, Gulf Craft launched the brand and product range Majesty Yachts in an ambitious drive to develop the region's first full line-up of luxury yachts.

MAJESTY  YACHTS

### 2006

Gulf Craft introduces the Oryx product line to fill an existing gap between large yachts and small pleasure craft. Specializing in sport yachts and open cruisers, it gains recognition among a younger target market.

ORYX

## 2008

Born from the 27 years boat building experience, the Silvercraft range is established to represent Gulf Craft's wide and diverse range of smaller family and fishing boats.

**SILVERCRAFT**

## 2012

Gulf Craft launches its largest superyacht ever built – the Majesty 135 – further solidifying the company's position as a major player in the prestigious global superyacht market.

## 2015

Gulf Craft launches its present-day flagship Majesty 155, showing customer confidence in the yard's products.

Catering to an evergrowing demand for long-range, fuel efficient yachts, Gulf Craft introduced the Nomad Yachts brand.

2015 - Won "Best Asian Built Yacht" for the Majesty 122 in Hong Kong during the Asian Boating Awards

## 2011

Gulf Craft launches the Gulf 95 Exp at the Dubai International Boat Show – presenting a new approach to explorer yacht design that maximizes onboard living space and comfort.

## 2014

Gulf Craft has clinched a top 10 ranking among the world superyacht-building shipyards, according to the Boat International Global Order .book report

Majesty 105 was announced as a finalist of The World Superyacht Awards 2014

## 2016

Gulf Craft won "Quality & Value Award" for the Majesty 122 at the World Superyacht Awards

Launching of the Majesty 110 and Majesty 90 at the Dubai International Boat Show

Emirates-based builder, Gulf Craft enters the world of megayachts revealing two new design concepts Majesty 200 and Majesty 175 at the 2016 .Monaco Yacht Show

Each yacht is  
an individual  
project, finished  
uniquely to match  
the desires of its  
owner

# REFINED BOAT BUILDING SKILLS PERFECTED OVER 35 YEARS

At Gulf Craft we believe each yacht we build is unique – an individual and complex exercise in engineering, design and craftsmanship; which is why we prefer the term yacht builders rather than yacht producers. Our shipyard does not resemble a production line – each yacht is an individual project, finished uniquely to match the desires of its owner.

Our yachts are developed using detailed computer modeling and using the latest technologies such as CNC and waterjet, but the human hand still lends the final touches and it is the human eye that grants the final seal of approval after the industrial tests and standards are stamped. We value craftsmanship and it is a skill we have nurtured for over three decades.

Gulf Craft, the world's innovative builder of luxury yachts and leisure boats, has served the aspirations of passionate seafarers for more than three decades. The award-winning manufacturer is one of the world's leading superyacht shipyards, a merit it has achieved through continuous investment in research and development.

Founded in the Emirates in 1982, Gulf Craft continues to redefine the on-water living experience with its wide variety of premium craft, ranging from 27 feet to 155 feet in length. Deploying advanced technology,

powerful engineering, and timeless design, Gulf Craft builds each creation to meet the diverse requirements of its discerning clientele, transforming travel by sea into a journey worth indulging in.

With an expanding portfolio that includes the enchanting Majesty Yachts, the oceangoing Nomad Yachts, Silvercraft fishing boats and family cruisers, and Oryx sport yachts and cruisers, Gulf Craft has built an enduring legacy.

**HULL AND SUPERSTRUCTURE CONSTRUCTION**

- Hull : GRP with ATC closed core cell foam applied by the way of vacuum bagging
- Frames : Closed core cell foam
- Outer skin and inner skin : Solid glass
- Superstructure : Balsa sandwich
- Resin : Isopathalic polyester resin
- First layer of outer skin with vinylester resin
- Laminate consisting of quadraxial, tri axial and biaxial E-glass for inner and outer skins
- Hand laid-up unidirectional fiberglass with core cell foam vacuum bagging hull
- Hand laid-up unidirectional fiberglass with balsa fill cored deckand sundeck
- Solid fiberglass laminate keel and chines
- Foam core reinforced stringer system
- Hand laid-up Gurit core cell foam sheet main bulkheads

**MOORING**

- 2 x 135 kg capacity galvanized kedge anchors
- 2 x 110 m length, 16 mm diameter galvanized iron stud link chains for anchors
- 2 x hydraulic windlasses
- 2 x stainless steel anchor pockets for anchor launch and retrieve
- 4 x hawser pipes, located on each side in the area:
  - 2 x at bow area
  - 2 x at aft cockpit
- 8 x stainless steel cleats, located on each side:
  - 4 x at bow area
  - 2 x at midship
  - 2 x at aft cockpit
  - 2 x vertical capstans at aft cockpit

**DECK FITTINGS**

- Water tight door on the port side gunwale for access to passage area.
- Water tight door on the starboard side gunwale for access to main lobby.
- Sliding door on the main deck starboard side gunwale for balcony
- Balcony platform at main deck starboard side gunwale.
- Deck hatch access to chain compartment.
- Deck hatch access to owner's bathroom.
- Fresh water deckwash outlets
- Fueland water fillers.
- Stainless steel hand rails
- Round shape openable portholes.
- Rectangular shape fixed windows.
- Side windows at main deck.
- Side windows at wheel house.
- Wheel house front windscreen.
- Wheel house front wind screen. wipers with fresh water washing system.
- Upholstered sofa seats and table at forward area.
- Storage within the forward sofa seat moulding
- Lighting around side deck
- Stair way from port side gunwale to bow area

**AFT COCKPIT**

- Stair way from main deck aft cockpit to sundeck
- Stainless steel framed sliding door to saloon
- Port and starboard side bulkward doors at aft cockpit
- Water tight door for access to garage
- Stairway to garage
- Sink and tap with hot and cold water supply
- Ceilinglights

- Lighting switches and sockets
- Stainless steel transom doors
- Steps down to swim platform
- Upholstered sofa seats and table

**SWIM PLATFORM**

- Hydraulic swim platform transformer with capacity 550kg, 6 step
- Stainless steel railings
- Hot and cold water transom shower
- Deckwash
- Dock connection for shorewater supply with pressure regulator

**GARAGE**

- Overhead crane 500 kg capacity
- Electro- hydraulic power operated garage door for opening/closing
- Water/gas tight door to engine room
- Dinghy
- Round shape openable portholes

**SUNDECK**

- Stainless steel framed sliding door to wheelhouse
- Wide fiber glass sofas on port and starboard side with upholstered seats
- Tables
- Storage under the sofa seats
- Stairway from aft cockpit
- FRP hardtop
- Lighting on under side of the hard top
- Stainless steel railings
- Bar counter
- Sink and tap with hot and cold water supply
- Bar stools
- Jacuzzi system
- 4 x liferafts (each capacity 8 persons)

**TEAK DECKING**

- Main deck aft cockpit, swim platform, bow area, port and starboard side gunnellarea
- Sun deck

**FLY-BRIDGE**

- Stainless steel framed sliding door to wheelhouse.
- Wide fiber glass sofas on Port and Stbd side with upholstered seats.
- Tables.
- Stairway from aft cockpit.
- FRP hard top.
- Lighting on under side of the hard top.
- Stainless steel railings.
- Flybridge wet bar with sink.
- Bar stools (3).
- Bose Speakers linked to Saloon entertainment system (2).
- Fridge.
- Ice maker.
- Bottle cooler.
- Counter with storage.
- Liferrafts capacity 16 persons (2).
- Storage and rubbish bin.
- Tender storage facilities.
- Flood lights.
- Storage under the sofa seats.
- Stainless steel sink and tap with hot and cold water supply.
- Crane (1000kg capacity).

**FLY-BRIDGE HELM**

- Helm seat
- Main helm position instruments and controls
  - Steeringwheel
  - Port and starboard engine displays
  - Port and starboard engine control panels

- Engine throttle
- Magnetic compass
- 2 x navigation displays
- 2 x card readers
- Engine room electric fan controls
- Autopilot control display
- Alarm monitoring display panel
- Fire alarm system panel
- Horn switch
- Bow thruster control
- Whistle controlpanel
- Port and starboardwindlass control panels
- Search light control panels
- Stabilizer display panel
- Stabilizer pump select switch panel
- MSB display
- Wiper control panel
- Rudder angle gauge
- Wind display
- Steering system panel
- Night vision camera control
- Thuraya satellite phone
- Bilge pump control switches
- Lighting switches
- Sun deck helm position instruments and controls
- Steering wheel
- Magnetic compass
- Engine throttle
- 2 x navigation displays
- Port and starboard engine control panels
- Bow thruster control
- Lighting switches
- Port and starboard windlass controls
- VHF radio hand set
- Rudder angle gauge
- Autopilot control display
- Wind display
- Horn switch

**MAST**

- Platform for Radar and Aerials.
- Copper Spike for lightening protection.
- Anchor light.
- Mast head light.
- Navigation night vision.
- AIS VHF Antenna (3).
- Sailor 700 VSAT (GDS).
- Wind vane (2).
- CX 4 MARINE VHF Antenna (4).
- Simrad AIS VHF Antenna (3).
- Navitex.
- Fwd search light.
- Aft search light.
- Broad band scanner.
- Horn.
- Loud hailer.
- 12kw/4FT Scanner.
- 12kw/6FT Scanner.
- SAT C Antenna (GDS).
- Thuraya satellite phone antenna.
- FM Antenna.
- Simrad GS10 Antenna.
- Simrad MX5x75 Antenna.
- GMDSS Antenna 1X8 (GDS).
- GMDSS Antenna 1X7 (GDS).
- Simrad AIS GPS Antenna (2).

**SALOON**

- 65" Smart full HD LED Television (Samsung UA65F8000)
- Home Theater system (Life style 48 Series).
- Satellite Receiver.
- Stainless steel framed sliding door to cockpit.
- Sofa seats.
- Coffee table.
- Bar.
- Mini fridge.
- Sofa side tables.
- Storage locker.
- Fitted carpet.
- Wooden flooring.
- Side windows with roman blinds and pleated blinds.
- Wall cabinets with shelves.
- Telephone point.
- Air conditioning with control switch.
- Port and starboard engine displays
- Port and starboard engine control panels
- Lighting switches and AC sockets.
- Curtains for main saloon door.

- Fabric/Leather wall panels.

**DINING AREA**

- Dining table.
- Diningchairs.
- Cabinets with doors and drawers.
- Fitted carpet.
- Air conditioning with control switch.
- Architectural lighting.
- Lighting switches and AC sockets.
- Fabric/Leather wall panels.

**GALLEY**

- Entrance door from dining area.
- Storage lockers and drawers.
- Overhead lockers.
- Corian counter top.
- Stainless steel sink and tap with hot and cold water supply (2).
- Hob.
- Dish washer.
- Refrigerator.
- Freezer.
- Refrigerators (2).
- Deep fryer.
- Microwave oven.
- Extractor fan (Range hood).
- Dishwasher.
- Vinyl flooring.
- Air conditioning with control switch.
- Architectural lighting.
- Counter lighting.
- Lighting switches and AC sockets.
- Telephone point.
- Windows with pleated blinds.

**WHEELHOUSE HELM**

- Helm seat
- Main helm position instruments and controls
  - Steering wheel
  - Port and starboard engine displays
  - Port and starboard engine control panels
  - Engine throttle
  - Magnetic compass
  - 2 x navigationdisplays
  - 2 x card readers
  - Engine room electric fan controls
  - Autopilot control display
  - Alarm monitoring display panel
  - Fire alarm system panel
  - Horn switch
  - Bow thruster control
  - Whistle control panel
  - Port and starboard windlass control panels
  - Search light control panels
  - Stabilizer display panel
  - Stabilizer pump select switch panel
  - MSB display
  - Wiper control panel
  - Rudder angle gauge
  - Wind display
  - Steering system panel
  - Night vision camera control
  - Thurayasatellitophone
  - Bilge pump control switches
  - Lighting switches

**SUNDECK HELM**

- Sun deck helm position instruments and controls
  - Steering wheel
  - Magnetic compass
  - Engine throttle
  - 2 x navigationdisplays
  - Port and starboard engine control panels
  - Bow thruster control
  - Lighting switches
  - Port and starboard windlass controls
  - VHF radio hand set
  - Rudder angle gauge
  - Autopilot control display
  - Wind display
  - Horn switch

**DAY HEAD TOILET**

- Marble counter top.
- Wash basin and tap with hot and cold water supply.
- Mirror.
- Electric toilet.
- Extractor fan.
- Marble flooring.
- Sanitary accessories.
- Architectural lighting.
- Lighting switches and AC sockets.

**OWNER'S STATEROOM**

- LCD TV 46".
- Home Theater system (Life style 48 Series).
- Satellite Receiver.
- Large double bed with drawers & mattress, pillows and bedspread.
- Bed side tables.
- Low cabinet.
- Sofa seat.
- Windows with Roman blinds and pleated blinds.
- Desk (with drawers) and stool.
- Port holes with roman blinds and pleated blinds.
- Storage cabinets and drawers.
- Fitted carpet.
- Stairs down to owners bathroom.
- Air conditioning with control switch.
- Reading and architectural lights.
- Lighting switches and AC sockets.
- Fabric/Leather wall panels.

**EN SUITE**

- Two wash basins and taps with hot and cold water supply.
- Storage locker and shelves.
- Bidet & Electric toilet.
- Mirror.
- Hot and cold water shower mixer.
- Sky shower.
- Sanitary accessories.
- Architectural lighting.
- Shower light.
- Lighting switches and AC sockets.
- Extractor fan.

**GUEST LOBBY**

- Stair case to main deck.
- Storage locker.
- Architectural lighting.
- Electrical distribution panel locker.
- Entrance door to double guest cabin 1.
- Entrance door to doubleguest cabin 2.
- Entrance door to twin guest cabin 1.
- Entrance door to twin guest cabin 2.

**TWIN GUEST STATEROOMS (STARBOARD SIDE & PORT SIDE)**

- LCD TV 32".
- Satellite Receiver.
- 2 x Single beds with drawers & mattresses, pillows and bed spread.
- Bed side table.
- Wardrobe.
- Fitted carpet.
- Porthole with roman blinds and pleated blinds.
- Entrance door to En Suite.
- Air conditioning with control switch.
- Reading and architectural lighting.
- Lighting switches and AC sockets.
- Fabric/Leather wall panels.

**EN SUITES**

- Wash basin and tap with hot and cold water supply.
- Storage locker.
- Niche.
- Electric toilet.
- Mirror
- Glass door to shower cabin.
- Sky shower.
- Sanitary accessories.
- Architectural lighting.
- Shower light.
- Lighting switches and AC sockets.
- Extractor fan.

**DOUBLE GUEST STATEROOMS (STARBOARD & PORT SIDE)**

- LCD TV 32".
- Satellite Receiver.
- Large double bed with drawers & mattresses, pillows and bedspread.
- Desk and chair.
- Storm shutter storage.
- Wardrobes.
- Side window come port hole.
- Side window with roman blinds and pleated blinds.
- Air conditioning with control switch.
- Reading and architectural lighting.
- Lighting switches and AC sockets.
- Entrance door to En Suite.
- Fabric/Leather wall panels.

**EN SUITES**

- Wash basin and tap with hot and cold water supply.
- Storage locker.
- Electric toilet.
- Mirror.
- Marble flooring.
- Port hole with pleated blinds.
- Glass door to shower cabin.
- Hot and Cold water shower mixer.
- Sky shower.
- Seat in shower cabin.
- Sanitary accessories.
- Architectural and vanity lighting.
- Shower light.
- Lighting switches and AC sockets.
- Extractor fan.

**CAPTAIN'S CABIN**

- LCD TV 22"
- Satellite Receiver.
- Single bed with mattress, pillows and bed spread.
- Wardrobe.
- Port hole with roman blinds and pleated blinds.
- Vinyl flooring.
- Air conditioning with control switch.
- Reading and architectural lights.
- Lighting switches and AC sockets.
- Entrance door to En Suite.
- Fabric wall panels.

**CAPTAIN'S BATHROOM**

- Corian counter top.
- Basin and tap with hot and cold water supply.
- Mirror.
- Electric toilet.
- Storage locker.
- Hot and Cold water shower mixer.
- Sky shower.
- Mirror.
- Sanitary accessories.
- Vinyl flooring.
- Architectural lighting.
- Lighting switches and AC sockets.
- Extractor fan.

**FORWARD CREW CABINS (STARBOARD & PORT SIDE)**

- 2 x Single beds with drawers & mattresses, pillows and bed spread.
- Wardrobes.
- Vinyl flooring.
- Access hatch from main deck.
- Air conditioning with control switch.
- Reading lights.
- Architectural lighting.
- Lighting switches and AC sockets.
- Fabric wall panels.
- Entrance door to En Suite.

**EN SUITES**

- Corian counter top.
- Wash basin and tap with hot and cold water supply.
- Mirror.
- Electric toilet.
- Storage locker and shelves.
- Hot and cold water shower mixer.
- Sky shower.
- Sanitary accessories.
- Vinyl flooring.
- Architectural lighting.

- Lighting switches and AC sockets.
- Extractor fan.

#### CREW CABINS (1 & 2)

- 2 x Single bunk beds with mattresses, pillows and bed spreads.
- Wardrobes.
- Air conditioning with control switch.
- Vinyl flooring.
- Reading and architectural lighting.
- Lighting switches and AC sockets.
- Veneer/Fabric wall panels.

#### CREW BATHROOM (common for Crew cabin 1 and 2)

- Corian counter top.
- Basin and tap with hot and cold water supply.
- Mirror.
- Electric toilet.
- Hot and cold water shower mixer.
- Complete set of sanitary accessories (soap holder, paper holder, glass holder, towel rail, toilet brush holder, sanitary jet).
- Vinyl flooring.
- Architectural lighting.
- Lighting switches and AC sockets.
- Extractor fan.

#### CREW LOUNGE

- Stainless steel sink and tap with hot and cold water supply.
- Fridge.
- Microwave.
- Hob.
- Washing machine.
- Storage locker.
- Low cabinet.
- Over head lockers.
- Sofa seat and table.
- Vinyl flooring.
- Air conditioning with control switch.
- Architectural lighting.
- Lighting switches and AC sockets.
- Stairs to cockpit.
- Stairs from swim platform.
- Watertight entrance door to engine room.
- Water tight entrance door to swim platform.
- Entrance door to crew cabin.
- Access to rudder compartment.

#### COLD STORAGE

- Stairs up to galley.
- Wine cellar.
- Freezer.
- Fridge.
- Open shelves.
- Air conditioning with control switch.
- Architectural lighting.
- Lighting switches and AC sockets.
- Port hole with blinds.

#### MISCELLANEOUS

- Fenders (12).
- Mooring ropes.
- Boat hooks (2)
- Owner’s manuals.

#### ELECTRICAL SYSTEM

- 220/415/ V, 50 Hz, 3-phase electrical system
- Main power supplied to yacht by two generators
- 380/415/ V, 50 Hz, 3-phase, 100 A dockside connection with cable master system
- Power management and load sharing protection system
- 2 x 12 V, 200 Ah batteries for port engine
- 2 x 12 V, 200 Ah batteries for starboard engine
- 2 x 12 V, 100 Ah batteries for port generator
- 2 x 12 V, 100 Ah batteries for starboard generator
- 2 x 12 V, 200 Ah batteries for service
- 2 x 12 V, 200 Ah batteries for machinery
- 2 x 12 V, 270 Ah batteries for

#### emergency

- Batteries are charged by four battery chargers
  - 24 V, 100 A battery charger for service and machinery batteries
  - 24 V, 100 A battery charger for port and starboard engines batteries
  - 24 V, 80 A battery charger for emergency batteries
  - 24 V, 30 A battery charger for port and starboard side generator batteries
- 24 Vdc emergency lighting system in all areas
- 220 Vac outlets in all cabins
- Tank sentry system for all tanks
- Outgoing circuits protected by circuit breakers
- All seacocks under the water line are grounded
- 2 x electric fans for the engine room venting system
- 12 x under water lights

#### NAVIGATION SYSTEM

- Navigation equipments as follows:
  - 2 x 19” Garmin GPS MAP GMM 190 multi-touch glass helm displays at main helm station
  - 2 x 19” Garmin GPS MAP GMM 190 multi-touch glass helm displays at sundeck helm station
  - 2 x Garmin GPSMAP 8530 Black box
  - 2 x Garmin grid remote input device
  - Radar 12kW, 72NM
  - Radar 6kW, 72NM
  - 2 x Garmin remote sounder GSD 24
  - Garmin VHF 200I, BLK, International 2nd Station, antenna and bracket
  - Garmin, GHP 12, Marine autopilot WIGHC 20
  - Garmin GHC 20 Marine autopilot control unit
  - Garmin GMI 20 Marine instrument
  - 2 x Garmin GC10 camera standard image
  - 2 x Garmin GPS 19X NMEA 2000
  - 2 x Garmin VAW450S-Blue chart G2 vision gulf 5W
  - 2 x Garmin card reader
  - Garmin Marine Wi-Fi adapter kit
  - Garmin Marine heading sensor NMEA01832000/
  - Garmin GRF 10 Rudder sensor.
  - Garmin AIS 600 with antenna and bracket.

- Mast area equipped with radars, satellite antenna, horn wind speed, navigation lights, lightening arrester, horn, search light fwd and aft.
- Camera monitoring system (3 areas); 1@ sundeck, 1@ main deck aft cockpit and 2@ engine room.
- Night vision camera monitoring system.
- Navigation lights according to the international regulations
  - Navigation lights (red and green)
  - Stern light
  - Head on mast
  - Anchor light on mast
  - Not Under Command light 01
  - Not Under Command light 02

#### COMMUNICATION SYSTEM

- Intercom telephone system for all cabins
- SART (Search And Rescue Transponder)
- EPIRB
- Provision for shore telephone connection

#### ALARMS AND MONITORING SYSTEM

- Alarm and monitoring display panels to be located at wheel house, engine room and crew lounge: Alarm monitor

panel can display of all tanks level indication; navigation lights control and monitoring; bilge sensors; status of hatches and doors; status of each fire detection zones; voltage of batteries and status of chargers; status of pumps; port and starboard side exhaust gas temperature

#### FUEL SYSTEM

- Fuel capacity 7520 US Gallons (27584 Liters).
- FRP integrated fuel tanks.
- All fuel tanks provided with manhole covers, fill pipes, ventilation pipes, and connection pipes to manifold.
- Isolation valves to fuel manifold.
- Manual fuel shutoff valve.
- Fuel filters for generators/engines.
- Electric fuel transfers pump 380V/3-phase.
- Manual fuel transfer pump.
- Fuel interconnection lines are made of stainless steel.
- Tank senders for all tanks.

#### FRESH WATER SYSTEM

- FRP fresh water tank
- Pressurized hot and cold water system
- 2 x 380/415/ Vac fresh water pumps
- Filling and ventilations to side deck
- 3 x electric water heaters for hot water (each capacity 200 l)
- 3 x 220 Vac circulation pumps for hot water
- 2 x water makers 260 l/hr, 380/415/ V, 3 phase, 50 Hz for fresh water
- Dock connection for shore water supply on aft swimming platform with pressure regulator
- One handheld shower with hot and cold water supply on swimming platform

#### AIR CONDITIONING SYSTEM

- Chilled water air conditioning system
- 4 x 8.5 t capacity air conditioning chillers
- All compressors on 380/415/ Vac
- All air handlers on 220 Vac
- 2 x sea water pumps
- 2 x chiller water pumps
- Side thruhull fitting for sea water discharge
- Self contained A/C system for the engine room with capacity 24,000 Btu
  - Sea water pump 380/415/ Vac, 50 Hz
  - Sea valve for sea water intake
  - Side thruhull fitting for the sea water discharge
- Chiller units, chiller water pumps and sea water pumps placed in engine room
- Plumbing lines are made of PVC pipes
- All plumbing lines are well insulated
- A/C control switches in all areas

#### FIRE EXTINGUISHING SYSTEM

- Electric pumps with bypass valves for firefighting purpose
- Stern light
- Portable dry powder fire extinguishers in all areas
- FM 200 fire extinguishing system for the engine room
- Fire lines are made of CuNifer/Stainless steel pipes
- Fire hydrant valves with fire hose reel and nozzles

#### BILGE SYSTEM

- Submersible electric bilge pumps fitted in each water tight compartment
- Bilge high water level alarm system for each water tight compartment
- Fire and bilge line manifold system with bypass valves
- 2 x electric pumps for fire/bilge purpose (each pump act as a backup for the other)

- Hand operated diaphragm pump with bypass valves for the fire and bilge purpose

#### LIFE RAFT AND SAFETY EQUIPMENTS

- Solas Life jackets (20).
- Life rings 24” (2).
- Life rafts capacity10 persons each (2).
- First Aid kit (2)
- Fire blanket (2)
- Fire dampers safety on Port and Starboard side vent shaft.
- Portable fire extinguishers as per plan.

#### BLACK AND GREY WATER SYSTEM

- FRP black water tank
- FRP grey water tank (aft)
- Stainless steel grey water tank (fwd)
- Electric toilets
- Tank sentry system for black and grey water tanks
- 3-way diverter valve to under water discharge or waste water treatment system
- Waste water treatment system
- Black tank overboard discharge on side deck
- Black and grey water pumps works on automatically and manually
- Black and grey water pumps works on 380/415V, 3-phase
- Black and grey water plumbing lines are PVC pipes/flexible hoses

#### ENTERTAINMENT SYSTEM

- Sun deck
  - 4 x ceiling speaker (Sonance VP65R XT)
- Bow
- 2 x ceiling speaker (Sonance VP65R XT)
- Aft lounge
  - 2 x ceiling speaker (Sonance VP65R XT)
- Wheel house
  - Stereo ceiling speaker (B&w BB 6 ceiling)
  - Back box (B&w BB 6 ceiling)
  - Pre-mount kit (B&w PMK C6)
  - AP Wifi system (Ubiquity AP enterprise)
  - iPad mini 2nd generation with retina display (16 GB Apple iPad min 2nd gen.with retina display)
  - iPad Programming (Archimedia services Programming for iPad)
  - HDMI over CAT6 receiver (Archimedia HDMI/ CAT6 receiver provision)
  - Case for iPad mini with Retina display (Lifeproof iPad mini FRE)
- Main saloon
  - 65” Smart full HD LED Television (Samsung UA65F8000)
  - Programming 2 H (Archimedia Services Programming 02 H)
  - 5 x Ceiling speaker (B&w CCM362)
  - Back Box (B&w BB 6 Ceiling)
  - Pre-mount kit (B&w PMK CB)
  - 2 x HDMI Extender Over Single CAT6 (Kordz PLX-HDB.1)
  - HDMI Receiver Over Single CAT6 (Kordz PLX-HDB.1 receiver)
  - HDMI Sender Over Single CAT6 (Kordz PLX-HDB.1 sender)
  - Blu-ray disk player (Samsung BD-F5100)
  - Programming 1 Hr. (Archimedia Services Programming 01 H)
  - Ipad mini 2nd Generation with retina display (16 GB Apple iPad mini 2nd gen. with retina)
  - AP Wifi system (Ubiquity AP Enterprise)
  - Waterproof Ipad mini case (Lifeproof Waterproof Ipad mini case)
  - Subwoofer Amplifier (Sonance A800 woofer amplifier 230V)
  - Ceiling Subwoofer (Sonance VP85RW-Round)
  - Enclosure (Sonance large round

- acoustic enclosure)
- Square adapter with grille (Sonance VP85Q)
- Owner’s cabin
  - 55” UHD TV (Samsung UA55F9000AR)
  - Programming 2 H (Archimedia services programming 02 H)
  - 5 x Ceiling speaker (B&w CCM362)
  - Back Box (B&w BB 6 ceiling)
  - Pre-mount kit (B&w PMK C8)
  - 2 x HDMI Extender Over Single CAT6 (Kordz PLX-HDB.1 Receiver)
  - 2 x HDMI Sender Over Single CAT6 (Kordz PLX-HDB.1 Sender)
  - Blu-ray disk player (Samsung BD-F5100)
  - Programming 1 Hr. (Archimedia services programming 01 H)
  - iPad mini 2nd generation with retina display (16 GB Apple iPad mini 2nd gen.with retina display)
  - Cover Case for iPad mini 2nd generation (Archimedia cover case for iPad mini)
  - Subwoofer Amplifier (Sonance A800 Woofer amplifier 230V)
  - Ceiling Subwoofer (Sonance Large VP85RW-Round)
  - Enclosure (Sonance large round acoustic enclosure)
  - Square adapter with grille (Sonance VP85Q)
- Double Guest Cabin 1
  - 32” Mirror TV (Platinum Vision PMT 320 – 1200 x 1200)
  - Programming 2 H (Archimedia services programming 02 H)
  - Stereo ceiling speaker (B&w CM664SR)
  - Back box (B&w BB 6 Ceiling)
  - Pre-mount kit (B&w PMK C6)
  - 2 x HDMI Extender Over Single CAT6 (Kordz PLX-HDB.1)
  - HDMI Receiver Over Single CAT6 (Kordz PLX-HDB.1 Receiver)
  - HDMI Sender Over Single CAT6 (Kordz PLX-HDB.1 Sender)
  - Blu-ray Disk Player (Samsung BD-F5100)
  - Programming 1 Hr. (Archimedia services programming 01 H)
  - iPad mini 2nd generation with retina display (16 GB Apple Ipad mini 2nd gen.with retina display)
  - AP Wifi system (Ubiquity AP enterprise)
  - Cover case for iPad mini 2nd generation (Archimedia cover case for iPad mini)
- Double Guest Cabin 2
  - 32” Mirror TV (Platinum Vision PMT 320 – 1200 x 1200)

# GULF CRAFT PRODUCT RANGE

## MAJESTY YACHTS

**ABOVE** Majesty 90

### YACHT RANGE 48 - 90

---

Gulf Craft launched its range of luxury fly-bridge yachts under the name of Majesty Yachts in 2004, and today features an innovative and extensive yachts range from 56 feet to 88 feet, in addition to the superyachts range.

Majesty Yachts relies on a in-house design team, as well as on Dutch, Italian, British and Australian designers, catering to diverse global tastes in exterior styling and interior design. The Majesty Yachts team combines technical know-how, practical experience, and decades of steady investment to deliver personalized luxury without the price premium.

## NOMAD YACHTS

**ABOVE** Nomad 65

---

The Nomad Yachts is the latest masterpiece created by Gulf Craft. The brand Nomad Yachts was first introduced to the world in 2015 at the Dubai International Boat Show. Although a young brand, the Nomad Yachts has quickly witnessed international success when in the month following its premiere, it was debuted in Europe, Africa and Asia. The brand new line of yachts is designed for serious boating enthusiasts who are looking to take their passion onto the high seas.

## SILVERCRAFT

**ABOVE** Silvercraft 36 HT

Year after year, we're striving to exceed our customers' expectations. That's why we created the new Silvercraft sport fishing and family boats. Continuing the Gulf Craft reputation for constant innovation and superior standard of quality, the Silvercraft range combines advanced hull designs, superior performance and evolving styles.

With the company founders being seasoned seafarers themselves, every new boat type is carefully designed and rigorously tested before introduction to the market. The strive for application of the latest technologies and to meet the design requirements of our customers spread all over the globe, is forcing a constant rejuvenation and rethinking of the production process, our products and services, manifesting itself in our ever-improving product quality, trying to redefine powerboating every single day.

## ORYX

**ABOVE** Oryx 42

In 2006 Gulf Craft introduced the Oryx sport cruiser – the sea-borne equivalent of an elite sports car – that became an instant hit within weeks of its launch. Now the Oryx has evolved into a range of high-performance sport yachts and cruisers of different sizes that are exported worldwide.

Always innovative, the Oryx range continues to offer outstanding value-for-money and uncompromising on water performance for the growing sports cruiser market.

Pictures in this catalogue may be taken from different vessels of the same type for example purpose only. Performance estimates are given in good faith, but are in no way guaranteed. Dirt on the hull, damage to the propellers, external water and air temperatures and added weight, fuel and water carried can all adversely affect performance. For these and other reasons we can give no performance guarantees. Data and characteristics are not binding: details, colors, descriptions and illustrations are for information purpose only. The drawings and pictures may include specific equipment or modifications which are not part of the standard specifications of the vessel. Standard specifications may be defined differently in different sales territories. Gulf Craft Inc. reserves the right to make any changes in specifications or equipment without prior notice. In case on any inconsistencies between specification sheet, product catalogue and price list, the price list prevails. Customers are recommended to contact one of our sales representatives to reconfirm standard and optional features on the vessels.
