

MAJESTY  *YACHTS*

YACHT COLLECTION

Your Window into Luxury

CHAIRMAN'S NOTE

Mohammed Hussain Alshaali
Chairman

Gulf Craft was born in 1982 out of a love for the sea, a passion for building and a firm belief that the success of the Emirates should be based around productive industry – three key pillars that still support what the company does three decades since we first began.

35 years is a long time, and as the Emirates has undergone a sea change in terms of progress, prosperity and prominence on a global stage, we are privileged to have been both a witness to this transformation and a fellow traveler – growing from a humble Emirates based boat builder to a globally respected shipyard with a presence in more than 40 countries worldwide.

Over the years, we have measured our success on the continued confidence and loyalty of our customers and business partners and our ability to maintain a 100% delivery track record – successfully delivering more than 9,000 craft since we first began, across a spectrum that ranges from family fishing boats to the most luxurious superyachts.

The Majesty Yachts brand is in many ways Gulf Craft's flagship brand – representing the epitome of our engineering and design sophistication, our ability to translate our clients' vision into luxurious reality and our ambitions to build bigger and better yachts in the years to come.

LOOKING AHEAD

Erwin Bamps
Chief Executive Officer

As a company, Gulf Craft finds itself in a very fortuitous position – both in time and space.

Celebrating 35 years is a good period to acknowledge the company’s growth and success over the past three decades but it is also the perfect time to look ahead to what is to come.

Geographically, Gulf Craft is positioned in a very strategic location – close enough to the traditional yacht markets of Europe and poised on the very edge of fast-growing Asia.

With the launch of the Majesty 155, Gulf Craft has proven its capabilities – in terms of innovation and ability to both anticipate and deliver what the global market wants in size and sophistication.

Gulf Craft continues to invest in equipment capable of handling larger and more technically challenging builds and skilled workmanship capable of meeting more demanding requests, proving Gulf Craft’s long-term confidence in the global superyacht market and our own position within it.

Gulf Craft is favored in both regional and international markets

COMPANY HISTORY

In 1982 Mohammed Hussein Alshaali along with his brothers Abdullah and Jamal, and Dr. Mohammed Hamdan, their long-standing friend, established Gulf Craft in the United Arab Emirates – driven by an entrepreneurial spirit, a love for the sea and a firm belief that the long-term success of the nation lay in the manufacturing industry.

Under Alshaali's guidance, Gulf Craft has grown from being a manufacturer of small pleasure craft in 1982, to a yacht manufacturer in 1991 and a globally respected builder of superyachts since 2000.

Gulf Craft is a major manufacturer of luxury yachts and fiberglass boats and one of the world's top 10 superyacht builders (as listed in the 2014 Global Order Book). Gulf Craft, an award-winning shipyard, has built a distinguished reputation as a manufacturer of a wide diversity of vessels, ranging from fishing and family boats of 27 feet to sport cruises and semi-customized luxury superyachts of up to 155 feet.

With an annual production capacity of around 400 craft and expertise built over three decades in the business, Gulf Craft has a presence in all boating markets globally through its Majesty Yachts, Oryx and Silvercraft brands. In addition, Gulf Craft provides worldwide maintenance and re-fit services as well as advisory on all aspects of boat ownership.

Gulf Craft is recognized in the marine manufacturing industry for its reliability, innovative design layouts, contemporary and elegant exterior styling – favored in both regional and international markets. An extensive network of international dealers represents the company in diversified markets – from Europe to Australia. Exhibiting at leading international boat shows keeps Gulf Craft's brands and superior product range at the forefront of market attention.

TIMELINE

1982

With a modest 218,000 square foot facility in Ajman, UAE, Gulf Craft starts producing 14 foot runabouts for the local market.

1997

Launch of the Majesty 86.

2001

Gulf Craft's largest manufacturing facility opens in Umm Al Quwain in the Middle East, complete with 150 ton travel lift and launching bay. Launch of the Millenium 118, Gulf Craft's first superyacht over 30m.

1992

The Adora 53, the first complex yacht to be built by Gulf Craft is launched. This craft would remain one of the most desirable and popular yacht models in the Middle East for years to come.

2000

A new 100,000 square foot facility producing top-quality yachts, pleasure boats, and rapid transport vessels is launched in the Maldives.

2003

Building on the success of milestone projects like the Majesty 86 and Millenium 118, Gulf Craft launched the brand and product range Majesty Yachts in an ambitious drive to develop the region's first full line-up of luxury yachts.

MAJESTY  YACHTS

2006

Gulf Craft introduces the Oryx product line to fill an existing gap between large yachts and small pleasure craft. Specializing in sport yachts and open cruisers, it gains recognition among a younger target market.

ORYX

2012

Gulf Craft launches its largest superyacht ever built – the Majesty 135 – further solidifying the company's position as a major player in the prestigious global superyacht market.

2015

Gulf Craft launches its present-day flagship Majesty 155, showing customer confidence in the yard's products.

Catering to an evergrowing demand for long-range, fuel efficient yachts, Gulf Craft introduced the Nomad Yachts brand.

2015 - Won "Best Asian Built Yacht" for the Majesty 122 in Hong Kong during the Asian Boating Awards

2008

Born from the 27 years boat building experience, the Silvercraft range is established to represent Gulf Craft's wide and diverse range of smaller family and fishing boats.

SILVERCRAFT

2014

Gulf Craft has clinched a top 10 ranking among the world superyacht-building shipyards, according to the Boat International Global Order book report.

Majesty 105 was announced as a finalist of The World Superyacht Awards 2014

2016

Gulf Craft won "Quality & Value Award" for the Majesty 122 at the World Superyacht Awards

Launching of the Majesty 110 and Majesty 90 at the Dubai International Boat Show

Emirates-based builder, Gulf Craft enters the world of megayachts revealing two new design concepts Majesty 200 and Majesty 175 at the 2016 Monaco Yacht Show.

2011

Gulf Craft launches the Gulf 95 Exp at the Dubai International Boat Show – presenting a new approach to explorer yacht design that maximizes onboard living space and comfort.

Each yacht is an individual project, finished uniquely to match the desires of its owner

REFINED BOAT BUILDING SKILLS PERFECTED OVER 35 YEARS

At Gulf Craft we believe each yacht we build is unique – an individual and complex exercise in engineering, design and craftsmanship; which is why we prefer the term yacht builders rather than yacht producers. Our shipyard does not resemble a production line – each yacht is an individual project, finished uniquely to match the desires of its owner.

Our yachts are developed using detailed computer modeling and using the latest technologies such as CNC and waterjet, but the human hand still lends the final touches and it is the human eye that grants the final seal of approval after the industrial tests and standards are stamped. We value craftsmanship and it is a skill we have nurtured for over three decades.

Gulf Craft, the world's innovative builder of luxury yachts and leisure boats, has served the aspirations of passionate seafarers for more than three decades. The award-winning manufacturer is one of the world's leading superyacht shipyards, a merit it has achieved through continuous investment in research and development.

Founded in the Emirates in 1982, Gulf Craft continues to redefine the on-water living experience with its wide variety of premium craft, ranging from 27 feet to 155 feet in length. Deploying advanced

technology, powerful engineering, and timeless design, Gulf Craft builds each creation to meet the diverse requirements of its discerning clientele, transforming travel by sea into a journey worth indulging in.

With an expanding portfolio that includes the enchanting Majesty Yachts, the oceangoing Nomad Yachts, Silvercraft fishing boats and family cruisers, and Oryx sport yachts and cruisers, Gulf Craft has built an enduring legacy.

SPECIFICATIONS OVERVIEW

- Power assisted electro hydraulic steering system.
- Bow thruster 13HP, 24V DC (optional).
- Stern thruster 13 HP, 24VDC (optional).
- 24V DC and 220V AC electrical system.
- 220VAC, 50 Hz, Single phase shore power dock side connection.
- Generator 27 KW, 220V, 50Hz.
- Anchor 30Kg with chain diameter 10mm, 50M length.
- Electric Anchor winch with dual stations controls.
- Dual station electric Trim tabs with indicators.
- Dual station Autopilot.
- Dual station VHF Radio.
- Search light with dual station controls.
- Stainless steel framed Saloon door.
- Full height refrigerator in galley.
- Fly-bridge electric Barbeque.
- Fly-bridge wet bar including sink.
- Fly-bridge Refrigerator (optional).
- Ice maker (optional).
- Water maker 140Lts/hr, 220-240V, 50Hz (optional).
- Electric quiet flush toilets.
- Saloon and Owner's room DVD home theater system.
- Chilled water air conditioning system with capacity 120 000 BTU.
- Camera monitoring system (optional).
- Crane 500 kg capacity (optional).
- Port and Starboard side capstans at rear deck (optional).
- Stainless steel Transom doors with signage 63.
- Deck wash, hot and cold water transom shower.
- Electric water heater capacity 50Liters.
- AISI 316L Stainless steel railings.
- 2 x Hauser pipes on aft cockpit.
- 6 x Stainless steel deck cleats, two on forward, two on aft cockpit and two on midship.
- Full length transom platform with tender storage facilities.
- Upholstered exterior sofa seats at fly-bridge and cockpit.
- Fire detection system in all cabins.
- Fixed fire extinguishing system in

engine room.

- Stainless steel portholes with clear safety glass.
- Sun bed on front deck (optional).
- Sun top with canvas (optional).
- Teak decking on Fly-bridge and Gunnel area (optional).
- Semi grid inflatable boat 3.4mt with 25HP engine – zodiac (optional).
- Hydraulic swim platform (optional).

CONSTRUCTION

- The hull and deck are made out of a single piece GRP mould, built from combination of chopped strand mat, bi-directional knit fabric and balsa core hand-laminated under controlled temperatures with Isopathalic polyester resin.
- The hull and deck exterior have got mirror glaze gel-coat finish.
- Vacuum infusion divinitycell foam sheet main bulkheads.
- All materials used in the construction are approved marine quality.
- Basic hull color: white

DECK FITTINGS

- Electric anchor winch with fore deck, main helm and fly-bridge controls.
- Stainless steel bow roller for anchor launch and retrieve.
- Anchor 30kg with 50M of chain length with dia10mm.
- Deck hatch access to chain locker.
- Stainless steel hand rails and guard rails.
- Foredeck hatch to VIP room.
- Full set of navigation lights.
- Search light with dual station controls.
- Double trumpet electric horn.
- Black tank over board discharge on side deck.
- Fuel and water fillers on side deck.
- Sun bed recess at forward area.
- S.S Fenders baskets.
- Deck cleats, two on forward, two on aft cockpit and two on amidships.
- Stainless steel pulpit and guard rails.

- Port and Starboard side windows.
- Full drop pilot side windows (port and starboard side).
- Front wind screen.
- Front wind screen wipers with fresh water wash system.

AFT COCKPIT

- Stainless steel framed entrance door to saloon.
- Fixed teak table with stainless steel base.
- Upholstered seating.
- Cockpit ceiling lights.
- Stainless steel handrails.
- Stainless steel stanchions to Fly-Bridge.
- S.S Transom doors leading to swim platform.
- Integral stair way to Fly-Bridge.
- Deck lights for fly-bridge staircase steps.
- Lockable water tight entrance door to crew cabin.
- Manual swim ladder.
- Hot and cold water transom shower.
- Deck wash outlet.
- Steps to side deck.
- Manual bilge pump connected from engine room and crew cabin.
- Locker with fuel shut off valve pull-out pin cable, engine room fixed fire extinguisher pull-out pin cable, house battery isolated switch, house to port engine interconnection and generator isolated switches.
- Audio speakers system linked to saloon stereo.
- Teak decking on swim plat form, cockpit and Fly-Bridge stairway.
- Self draining.

FLY-BRIDGE

- S.S Sink with hot and cold water supply.
- Wet bar.
- Electric Barbeque.
- Refrigerator.
- Upholstered helm seat.
- Upholstered exterior sofa seats.
- Table with stainless steel pedestal.
- Speakers system linked to saloon stereo.
- Wind deflector screen.
- Upholstered sofa seats.
- Stainless steel handrails.
- FRP Radar arch.
- Stainless steel Mast stand.
- Sun top with canvas (optional).
- Storage locker under sofa seats.
- Self draining.
- Deck cleats, two on forward arch.

FLY-BRIDGE HELM POSITION

- Fly-Bridge helm instruments and controls.
 - Steering wheel.
 - Port and Starboard engines displays.
 - Trim tab gauge.
 - Rudder angle gauge.
 - Anchor winch switch.
 - Search light switch.
 - Trim tab switches.
 - Bow thruster control.
 - Radar display.
 - Port and Starboard engine displays.
 - Engine Throttle.
 - Auto pilot display.
 - VHF hand set.
 - Compass.

INTERIOR SPECIFICATIONS

MAIN DECK SALOON

- Port and Star board side sofa seats and Coffee table.
- Sofa side tables.
- Windows with curtains.
- Curtain for main entrance door.
- Storage locker.
- Architectural lighting.
- Lighting switches and sockets.
- Air conditioning with control switch.
- Veneer/Fabric/Leather wall panels.
- Fitted carpet.
- Steps to galley and dining area.
- Entertainment system.

GALLEY

- Corian counter top.
- Storage lockers with drawers.
- Hot plate.
- Microwave oven.
- Full height refrigerator.
- S.S Sink and Tap with hot and cold water supply.
- Glass storage and Bottle storage.
- Overhead storage locker.
- Hob extractor fan.
- Ice maker (optional).
- Dish washer.
- Windows with blinds.
- Mini dinette with "U" shaped sofa seat.
- Architectural lighting.
- Lighting switches and sockets.
- Air conditioning with control switch.
- Veneer/Fabric/Leather wall panels.
- Upholstered seating.
- Wooden flooring.
- Steps to lower cabins.

DINING AREA

- Dining table.
- 6 x Dining chairs.
- Windows with curtains.
- Wooden flooring.
- Air conditioning.
- Veneer/Fabric/Leather wall panels.

LOWER HELM POSITION

- Lower helm position instruments and controls.
 - Steering wheel.
 - Port and Starboard engine displays.
 - Grey tank gauge.
 - Black tank gauge.
 - Fuel tank gauges.
 - Rudder angle gauge.
 - Water tank gauge.
 - Trim tab gauge.
 - Anchor winch switch.
 - Wiper control switch.
 - Sliding window switch.
 - Trim tab switches.
 - Bow thruster control.
 - Auto pilot display.
 - VHF Radio.
 - Generator control panel.
 - Search light selector switch.
 - Black & Grey tank pump switch.
 - Search light switch.
 - Bilge alarm system panel.

LOWER DECK PASSAGE

- Steps from main deck.
- Wooden hand rail.
- Teak flooring.
- Steps to owner's room.
- Washing machine.
- Architectural lighting.
- Lighting switches.
- Veneer/Fabric wall panels.

MASTER CABIN

- Large double bed.
- Bed side tables.
- Port and Starboard side Portholes cum window for sea side view.
- Port and Starboard side wardrobe.
- Curtains.
- Open shelves.
- Desk and stool.
- Cabinets.
- Air conditioning with control switch.
- Storage space under the bed.
- Refrigerator.
- Reading lights.
- LED decorative lighting under the bed.
- Air conditioning with control switch.
- Architectural lighting.
- Lighting switches and AC sockets.
- Veneer/Fabric wall panels.
- Fitted carpet.

MASTER'S TOILET AND BATH ROOM

- Sliding entrance doors.
- Corian counter top (Marble optional).
- Wash basin and tap with hot and cold water supply.
- Storage lockers and drawers.
- Overhead lockers.

- Mirror.
- Port holes with curtains.
- Glass door to toilet.
- Shelves in toilet.
- Extractor fan.
- Electric toilet.
- Corian floor in toilet.
- Glass door to shower room.
- Glass door to ensuite.
- Hot and cold water shower mixer.
- Sky shower.
- Shelves in shower room.
- Complete set of sanitary accessories (tooth brush holder, soap holder, toilet brush holder, towel hook, towel rail and paper holder).
- LED decorative lighting.
- Architectural lighting.
- Lighting switches and AC sockets.

PORT SIDE GUEST CABIN

- Two single beds.
- Bed side table with drawers.
- Wardrobe.
- Port hole with curtain.
- Air conditioning with control switch.
- Storage locker under the bed.
- LED decorative lighting under the bed.
- Reading lights.
- Architectural lighting.
- Lighting switches and AC sockets.
- Veneer/Fabric wall panels.
- Fitted carpet.

PORTSIDE TOILET AND BATH ROOM

- Corian counter top.
- Wash basin and tap with hot and cold water supply.
- Hot and cold water shower mixer.
- Sky shower.
- Electric toilet.
- Extractor fan.
- Glass door to shower room.
- Porthole with blinds.
- Complete set of sanitary accessories (tooth brush holder, soap holder, toilet brush holder, towel hook, towel rail and paper holder).
- Mirror.
- Corian flooring with teak boarder.
- Architectural lighting.
- Lighting switches and AC sockets.

STARBOARD SIDE GUEST CABIN

- Single bed.
- Bed side table with drawers.
- Wardrobe.
- Port hole with curtain.
- Air conditioning with control switch.
- Storage locker under the bed.
- Reading light.
- LED rope lighting under the bed.
- Architectural lighting.
- Lighting switches and AC sockets.

- Veneer/Fabric wall panels.
- Fitted carpet.

VIP ROOM

- Large double bed.
- Drawer to bed.
- Deck hatch with fly screen and blind.
- Port and Star board side wardrobe.
- Shelves.
- Portholes with curtains.
- Storage space under the bed.
- Air conditioning with control switch.
- Reading lights.
- LED decorative lighting under the bed.
- Architectural lighting.
- Lighting switches and AC sockets.
- Veneer/Fabric wall panels.
- Fitted carpet.

VIP TOILET AND BATH ROOM

- Corian counter top.
- Wash basin and tap with hot and cold water supply.
- Hot and cold water shower mixer.
- Sky shower.
- Electric toilet.
- Extractor fan.
- Foldable clear glass door to shower room.
- Porthole with blinds.
- Complete set of sanitary accessories (tooth brush holder, soap holder, toilet brush holder, towel hook, towel rail and paper holder).
- Mirror.
- Corian floor with teak boarder.
- Architectural lighting.
- Lighting switches and AC sockets.

CREW CABIN

- Lockable water tight entrance door to swim platform.
- Two single bunk beds.
- Port hole with curtains.
- S.S Ladder with teak steps.
- Teak flooring.
- S.S Sink and tap with hot and cold water supply.
- Air conditioning with control switch.
- Reading lights.
- Architectural lighting.
- Lighting switches and AC sockets.
- Wardrobe.
- Hot plate.
- Refrigerator.
- Microwave oven.
- Overhead storage locker.
- Lockable water/gas tight entrance door to engine room.
- Extractor fan.
- Veneer/Fabric wall panels.

CREW CABIN ENSUITE

- Vanity locker with corian counter top.
- Sink and tap with hot and cold water supply.
- Electric toilet.
- Storage locker.
- Extractor fan.
- LED decorative lighting.
- Lighting switches and AC sockets.
- Complete set of sanitary accessories (tooth brush holder, soap holder, paper holder, toilet brush holder, towel rail and towel hook).
- Hot and cold water shower mixer.
- Mirror.

ENGINE ROOM

- Two main engines (1000HP, 2300 rpm).
- Generator (27 KW).
- Air conditioning chillers.
- Sea water pumps for chillers.
- Chiller water pumps for chillers.
- Chillers control panels.
- 2 x Axial flow fans.
- Convenience switches and outlets.
- Lockable water/gas tight door.
- Generator muffler.
- FRP non-skid flooring.
- Fixed fire extinguishing system.
- Air intakes for air circulation.
- Oil change system for engines and generator.
- Sea water cooling system for generator and engines.
- Fresh water out let.
- Flexible mountings for engines.
- Ceiling, sides and bulkheads of engine room are completely insulated with sound proofing and heat insulated materials.

ENTERTAINMENT SYSTEMS

MAIN SALOON

- 32" LCD TV (Sony) – 01no.
- DVD Home theater system (Bose, Life style 38 Series) – 01no.
- Satellite receiver (Humax) – 01no.

OWNER CABIN

- 22" LCD TV (Sony) - 01no.
- DVD Player -01no.
- Satellite receiver (Humax) – 01no.

AFT COCKPIT

- Ceiling speakers (Bose) - 02no.

FLY-BRIDGE

- Ceiling speakers (Bose) - 02no.

MASTER CABIN (OPTIONAL)

- LCD TV.
- DVD Player.
- Satellite receiver.

PORT GUEST CABIN (OPTIONAL)

- LCD TV.
- DVD Player.
- Satellite receiver.

STARBOARD GUEST CABIN (OPTIONAL)

- LCD TV.
- DVD Player.
- Satellite receiver.

ELECTRICAL SYSTEMS

- 220V, 50Hz, 1-phase electrical system.
- Main power supplied by generator 27Kw, 50Hz, 220V.
- 2 x 12V, 200 Amp Batteries for Port engine.
- 2 x 12V, 200 Amp Batteries for Stbd engine.
- 2 x 12V, 200Amp Batteries for House.
- 2 x 12V, 100 Amp Batteries for Generator.
- Batteries are charged by two battery chargers.
 - 80 Amp, 24V battery charger for house.
 - 30 Amp, 24V battery charger for engines.
- Outgoing circuits protected by circuit breakers.
- Shore support inlet cable at aft cockpit.
- Generator/shore support change over switch at main control panel.
- Shore power polarity check system.
- Earth leakage safety trip.
- 220V AC Power outlets in all cabins.
- All sea valves under the water line are grounded.
- Electric tank sensors for all tanks.

POWER AND DRIVE SYSTEMS

- Power assisted electro hydraulic steering system.
- Bow thruster 13HP (optional).
- Stern thruster 13 HP (optional).
- Direct shaft drive through tunnel.
- 2 x Propellers, 4-bladed, AB2 material.
- 2 x Bronze P-brackets.
- 2 x Bronze Rudders.
- 2 x Duplex steel tail Shafts.
- 2 x Hydraulic trim tabs.
- Sea water strainers for main engines.
- Cathodic protection provided by cross bonded zinc anodes.

FIRE EXTINGUISHING SYSTEM

- Fixed fire extinguisher in engine room connected with pull cable

- to cockpit.
- Smoke detection system in all cabins.
- Hand operated portable fire extinguishers installed for immediate use in all cabins.
- Owner's room.
- VIP room.
- Port side guest room.
- STBD side guest room.
- Main console.
- Galley.
- Crew cabin.
- Captain cabin.
- Engine room.

BILGE SYSTEM

- High water alarm system for each water tight compartment.
- Automatic electric Bilge pumps (2000 GPH) installed in all water tight compartments.
- Bow thruster hatch – 01no.
- Owner's room – 02no.
- Engine room – 01no.
- Crew cabin – 01no.
- Rudder area – 01no.
- High capacity manual bilge pump with diverter valve system and suction points from engine room and rudder compartment.

FUEL SYSTEM

- Total fuel capacity 1000 US Gallons.
- Center fuel tank 863 US Gallons.
- Day tank 137 US Gallons.
- FRP integrated fuel tanks in engine room.
- Fuel gauges at lower helm.
- Fuel fillers on port and starboard side decks.
- Manual fuel shutoff valve with pull-out pin cable fitted at recessed locker aft cockpit port side.
- Electric oil change pump.
- All tanks provided with manhole covers, ventilation pipes and connection pipes to manifold.
- Electric tank sensors.

FRESH WATER SYSTEM

- Water tank capacity 200 US Gallons.
- Pressurized hot and cold water system.
- 1 x 24VDC Fresh water pump and accumulator.
- 1 x water heater capacity 50Lt.
- Water heated by 220 V immersion heaters for hot water.
- Water level gauges at main helm position.
- Pump circuit breaker at main switch panel.
- Water fillers on side deck.
- Electric tank sender.
- 26mm Geberit Mepla piping throughout supplying all outlets.

- Dock connection for shore water supply on aft swimming platform with pressure regulator.
- Fresh water deck wash connection at aft swim platform.

BLACK WATER AND GREY WATER SYSTEM

- Black tank capacity 50US Gallons.
- Grey tank capacity 50 US Gallons.
- Separate grey tank for crew cabin with capacity 26 US Gallons.
- Black and grey water pumps works on 24VDC.
- Tecma toilet system 24VDC pumps discharging to black water tank or direct to sea by manifold system.
- Black tank over board discharge on side deck.
- Manifold system for black water.
- All plumbing lines are PVC and flexible hoses.
- Electric tank sensors.

AIR CONDITIONING SYSTEM

- Chilled water air conditioning system with capacity 120 000 BTU.
- All cabins Air handlers are connected with Chillers system.
- 2 x Chiller water pumps for chillers.
- 2 x Sea water pumps for chillers.
- Plumbing lines are PVC pipes.
- Pipe lines are well insulated.
- Air conditioning control switches in all cabins.

MISCELLANIOUS

- Fenders-06no.
- First Aid kit-01no.
- Fire blanket-01no.
- 14mm Rope 100 feet.

- Life rings-02no.
- Life jackets – 08no.
- Owner's manuals.
- Yacht documents.

GULF CRAFT PRODUCT RANGE

MAJESTY YACHTS

SUPERYACHT COLLECTION **101 - 155**

ABOVE Majesty 155

Gulf Craft launched its range of luxury fly-bridge yachts under the name of Majesty Yachts in 2004, and today features an innovative and extensive yacht range from 101 feet to 155 feet.

Majesty Yachts relies on an in-house design team, as well as on Dutch, Italian, British and Australian designers, catering to diverse global tastes in exterior styling and interior design. The Majesty Yachts team combines technical know-how, practical experience, and decades of steady investment to deliver personalized luxury without the price premium.

NOMAD YACHTS

ABOVE Nomad 65

The Nomad Yachts is the latest masterpiece created by Gulf Craft. The brand Nomad Yachts was first introduced to the world in 2015 at the Dubai International Boat Show. Although a young brand, the Nomad Yachts has quickly witnessed international success when in the month following its premiere, it was debuted in Europe, Africa and Asia. The brand new line of yachts is designed for serious boating enthusiasts who are looking to take their passion onto the high seas.

SILVERCRAFT

ABOVE Silvercraft 36 HT

Year after year, we're striving to exceed our customers' expectations. That's why we created the new Silvercraft fishing boats and family cruises. Continuing the Gulf Craft reputation for constant innovation and superior standard of quality, the Silvercraft range combines advanced hull designs, superior performance and evolving styles.

With the company founders being seasoned seafarers themselves, every new boat type is carefully designed and rigorously tested before introduction to the market. The strive for application of the latest technologies and to meet the design requirements of our customers spread all over the globe, is forcing a constant rejuvenation and rethinking of the production process, our products and services, manifesting itself in our ever-improving product quality, trying to redefine powerboating every single day.

ORYX

ABOVE Oryx 42

In 2006 Gulf Craft introduced the Oryx sport yachts and cruisers – the sea-borne equivalent of an elite sports car – that became an instant hit within weeks of its launch. Today the Oryx has evolved into a range of high-performance sport yachts and cruisers of different sizes that are exported worldwide.

Always innovative, the Oryx range continues to offer outstanding value-for-money and uncompromising on water performance for the growing sports cruiser market.
