Your Window into Luxury

## CHAIRMAN'S NOTE

**Mohammed Hussain Alshaali**  
*Chairman*

Gulf Craft was born in 1982 out of a love for the sea, a passion for building and a firm belief that the success of the Emirates should be based around productive industry – three key pillars that still support what the company does three decades since we first began.

35 years is a long time, and as the Emirates has undergone a sea change in terms of progress, prosperity and prominence on a global stage, we are privileged to have been both a witness to this transformation and a fellow traveler – growing from a humble Emirates based boat builder to a globally respected shipyard with a presence in more than 40 countries worldwide.

Over the years, we have measured our success on the continued confidence and loyalty of our customers and business partners and our ability to maintain a 100% delivery track record – successfully delivering more than 9,000 craft since we first began, across a spectrum that ranges from family fishing boats to the most luxurious superyachts.

The Majesty Yachts brand is in many ways Gulf Craft's flagship brand – representing the epitome of our engineering and design sophistication, our ability to translate our clients' vision into luxurious reality and our ambitions to build bigger and better yachts in the years to come.

## LOOKING AHEAD

**Erwin Bamps**  
*Chief Executive Officer*

As a company, Gulf Craft finds itself in a very fortuitous position – both in time and space.

Celebrating 35 years is a good period to acknowledge the company’s growth and success over the past three decades but it is also the perfect time to look ahead to what is to come.

Geographically, Gulf Craft is positioned in a very strategic location – close enough to the traditional yacht markets of Europe and poised on the very edge of fast-growing Asia.

With the launch of the Majesty 155, Gulf Craft has proven its capabilities – in terms of innovation and ability to both anticipate and deliver what the global market wants in size and sophistication.

Gulf Craft continues to invest in equipment capable of handling larger and more technically challenging builds and skilled workmanship capable of meeting more demanding requests, proving Gulf Craft’s long-term confidence in the global superyacht market and our own position within it.

Gulf Craft is favored in both regional and international markets

# COMPANY HISTORY

In 1982 Mohammed Hussein Alshaali along with his brothers Abdullah and Jamal, and Dr. Mohammed Hamdan, their long-standing friend, established Gulf Craft in the United Arab Emirates – driven by an entrepreneurial spirit, a love for the sea and a firm belief that the long-term success of the nation lay in the manufacturing industry.

Under Alshaali's guidance, Gulf Craft has grown from being a manufacturer of small pleasure craft in 1982, to a yacht manufacturer in 1991 and a globally respected builder of superyachts since 2000.

Gulf Craft is a major manufacturer of luxury yachts and fiberglass boats and one of the world's top 10 superyacht builders (as listed in the 2014 Global Order Book). Gulf Craft, an award-winning shipyard, has built a distinguished reputation as a manufacturer of a wide diversity of vessels, ranging from fishing and family boats of 27 feet to sport cruises and semi-customized luxury superyachts of up to 155 feet.

With an annual production capacity of around 400 craft and expertise built over three decades in the business, Gulf Craft has a presence in all boating markets globally through its Majesty Yachts, Oryx and Silvercraft brands. In addition, Gulf Craft provides worldwide maintenance and re-fit services as well as advisory on all aspects of boat ownership.

Gulf Craft is recognized in the marine manufacturing industry for its reliability, innovative design layouts, contemporary and elegant exterior styling – favored in both regional and international markets. An extensive network of international dealers represents the company in diversified markets – from Europe to Australia. Exhibiting at leading international boat shows keeps Gulf Craft's brands and superior product range at the forefront of market attention.

## TIMELINE

### 1982

With a modest 218,000 square foot facility in Ajman, UAE, Gulf Craft starts producing 14 foot runabouts for the local market.

### 1997

Launch of the Majesty 86.

### 2001

Gulf Craft's largest manufacturing facility opens in Umm Al Quwain in the Middle East, complete with 150 ton travel lift and launching bay. Launch of the Millenium 118, Gulf Craft's first superyacht over 30m.

### 1992

The Adora 53, the first complex yacht to be built by Gulf Craft is launched. This craft would remain one of the most desirable and popular yacht models in the Middle East for years to come.

### 2000

A new 100,000 square foot facility producing top-quality yachts, pleasure boats, and rapid transport vessels is launched in the Maldives.

### 2003

Building on the success of milestone projects like the Majesty 86 and Millenium 118, Gulf Craft launched the brand and product range Majesty Yachts in an ambitious drive to develop the region's first full line-up of luxury yachts.

MAJESTY  YACHTS

### 2006

Gulf Craft introduces the Oryx product line to fill an existing gap between large yachts and small pleasure craft. Specializing in sport yachts and open cruisers, it gains recognition among a younger target market.

ORYX

## 2012

Gulf Craft launches its largest superyacht ever built – the Majesty 135 – further solidifying the company's position as a major player in the prestigious global superyacht market.

## 2015

Gulf Craft launches its present-day flagship Majesty 155, showing customer confidence in the yard's products.

Catering to an evergrowing demand for long-range, fuel efficient yachts, Gulf Craft introduced the Nomad Yachts brand.

2015 - Won "Best Asian Built Yacht" for the Majesty 122 in Hong Kong during the Asian Boating Awards

## 2008

Born from the 27 years boat building experience, the Silvercraft range is established to represent Gulf Craft's wide and diverse range of smaller family and fishing boats.

**SILVERCRAFT**

## 2014

Gulf Craft has clinched a top 10 ranking among the world superyacht-building shipyards, according to the Boat International Global Order book report.

Majesty 105 was announced as a finalist of The World Superyacht Awards 2014

## 2016

Gulf Craft won "Quality & Value Award" for the Majesty 122 at the World Superyacht Awards

Launching of the Majesty 110 and Majesty 90 at the Dubai International Boat Show

Emirates-based builder, Gulf Craft enters the world of megayachts revealing two new design concepts Majesty 200 and Majesty 175 at the 2016 Monaco Yacht Show.

## 2011

Gulf Craft launches the Gulf 95 Exp at the Dubai International Boat Show – presenting a new approach to explorer yacht design that maximizes onboard living space and comfort.

Each yacht is an individual project, finished uniquely to match the desires of its owner

## REFINED BOAT BUILDING SKILLS PERFECTED OVER 35 YEARS

At Gulf Craft we believe each yacht we build is unique – an individual and complex exercise in engineering, design and craftsmanship; which is why we prefer the term yacht builders rather than yacht producers. Our shipyard does not resemble a production line – each yacht is an individual project, finished uniquely to match the desires of its owner.

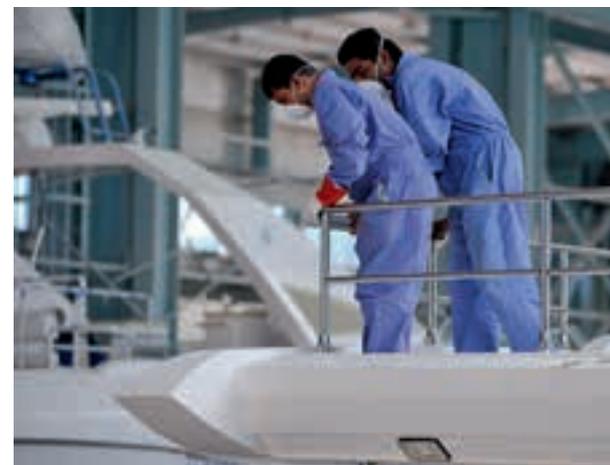

Our yachts are developed using detailed computer modeling and using the latest technologies such as CNC and waterjet, but the human hand still lends the final touches and it is the human eye that grants the final seal of approval after the industrial tests and standards are stamped. We value craftsmanship and it is a skill we have nurtured for over three decades.

Gulf Craft, the world's innovative builder of luxury yachts and leisure boats, has served the aspirations of passionate seafarers for more than three decades. The award-winning manufacturer is one of the world's leading superyacht shipyards, a merit it has achieved through continuous investment in research and development.

Founded in the Emirates in 1982, Gulf Craft continues to redefine the on-water living experience with its wide variety of premium craft, ranging from 27 feet to 155 feet in length. Deploying advanced

technology, powerful engineering, and timeless design, Gulf Craft builds each creation to meet the diverse requirements of its discerning clientele, transforming travel by sea into a journey worth indulging in.

With an expanding portfolio that includes the enchanting Majesty Yachts, the oceangoing Nomad Yachts, Silvercraft fishing boats and family cruisers, and Oryx sport yachts and cruisers, Gulf Craft has built an enduring legacy.

## SPECIFICATIONS OVERVIEW

- Power assisted electro hydraulic steering system.
- Bow thruster 15HP, 24VDC.
- Stern thruster 13HP, 24VDC (optional).
- 24V DC and 380/220VAC electrical system.
- 3-Phase shore power dockside connection (100Amp) with 25M length cable.
- Generator 33KW, 380/220V, 50 Hz.
- Anchor 50kg with chain diameter 12 mm, length 100mt.
- Electric Anchor winch with dual stations controls.
- Dual station electric Trim tabs controls with gauges.
- Dual station Autopilot.
- Dual station VHF Radio.
- Search light with dual station controls.
- Stainless steel framed Saloon door.
- Chilled water air conditioning system with capacity 148,000 BTU.
- Full height refrigerator in galley.
- Fly-Bridge electric Barbecue.
- Fly-Bridge wet bar including sink.
- Fly-Bridge Refrigerator.
- Fly-Bridge upholstered sofa seats, table.
- Electric quiet flush toilets.
- Saloon and Owner room LCD TV / DVD Home theater system.
- Stainless steel Transom doors with signage 77.
- Stainless steel railings.
- Hot and cold water transom shower.
- Fresh water deck wash connections at aft swim platform and forward area.
- Full length transom platform with tender storage facilities.
- 6 x Stainless steel deck cleats two on aft cockpit, two on bow and two on mid ship.
- 4 x Hawser pipes, two on aft cockpit and two on forward.
- 2 x Propellers, 5- bladed, AB2 material.
- 2 x Duplex steel tail shafts.
- Full length transom platform with tender storage facilities.
- Pressurized hot and cold water system.
- Water maker capacity 140lts/h, 220/240V, 50Hz (optional).
- Electric water heater capacity 50 Liters.
- Fixed fire extinguishing system in engine room.

- water wash system.
- 4 x Hawser pipes at two on aft cockpit and two on forward area.
- Search light with dual station controls.
- LED lighting around side deck.

## AFT COCKPIT

- Fixed teak table with stainless steel bases.
- Upholstered seating.
- Hot and cold water transom shower.
- Deck wash outlet.
- Storage within aft seat moulding.
- 3-Phase, 380VAC, 100Amp Shore power inlet cable.
- Lockable water tight entrance door to crew cabin.
- Self draining.
- Cockpit ceiling lights.
- Stainless steel handrails.
- Integral stairway to Fly-Bridge.
- S.S Transom doors leading to swim platform.
- Steps down to bathing platform.
- Hydraulic swim ladder.
- Locker with engine room fixed fire extinguisher pull-out pin cable, Port and STBD side fire dampers pull-out pin cable, Fuel shut off valve pull-out pin cable, Fire pump ON/OFF switch, Engine room exhaust emergency stop switch.
- Locker with isolation switches of machinery batteries, house batteries and house/engine interconnection switch, house/machinery interconnection switch.
- Locker with fire hydrant valve, fire hose reel and nozzle.
- Locker on port and starboard side for mooring rope storage.
- LED lighting to fly-bridge staircase.
- Stainless steel framed sliding door to main saloon.
- Port and Starboard side capstans at rear deck (optional).

## FLY-BRIDGE

- Sink and tap with hot and cold water supply.
- Wet bar.
- Electric Barbecue.
- Refrigerator.
- Stairway from aft cockpit.
- Upholstered helm seat.
- Upholstered exterior sofa seats and table.
- Wind deflector screen.
- Stainless steel handrails.
- FRP Radar arch.
- Stainless steel Mast stand.
- Navigation equipments.
- Sun top with canvas (optional).
- Storage under the sofa seats.
- Self draining.
- S.S Life rings stand.
- Lighting on underside of radar arch.

## FLY-BRIDGE HELM

- Fly-Bridge helm instruments and controls.
- Steering wheel.

- Magnetic compass.
- Port and Starboard engines displays.
- Trim tab gauge.
- Port and STBD engine, warning, diagnostic, shutdown and ignition controls.
- Rudder angle gauge.
- Engine throttle.
- Bow thruster control.
- Stern thruster control (optional).
- Auto pilot display unit.
- Navigation display.
- Horn switch.
- Gauge light switch.
- Trim tab switch.
- Anchor winch switch.
- Search light switch.
- VHF hand set.

## INTERIOR SPECIFICATIONS

### MAIN DECK SALOON

- Stainless steel framed sliding door to cockpit.
- Port and Star board side sofa seats.
- Coffee tables.
- Windows with curtains.
- TV table.
- S.S. Railings.
- LED decorative lighting.
- Architectural lighting.
- Lighting switches and AC sockets.
- Air conditioning with control switch.
- Veneer/Leather/Fabric wall panels.
- Fitted carpet.
- Steps to dining area.

### DINING AREA

- Dining table.
- 8 x Dining chairs.
- Cabinets with doors and drawers.
- Storage locker and drawer.
- Side windows with curtains.
- Lockable water tight side panto-graph door to side deck.
- Wooden flooring.
- Architectural lighting.
- Lighting switches and AC sockets.
- Air conditioning with control switch.
- Veneer/Leather/Fabric wall panels.

### PANTRY

- Corian counter top (Marble optional).
- Stainless steel sink and tap with hot cold water supply.
- Cabinets with doors and drawers.
- Bottle and glass stowage.
- Refrigerator.
- Ice maker.
- Microwave oven.
- Coffee maker.
- Windows with curtains.
- Stainless steel railings.
- "U" shaped sofa seat.
- Table.
- Stairs to lower deck cabins.
- LED lighting to steps.
- Architectural lighting.
- Lighting switches and sockets.
- Air conditioning with control

- switch.
- Veneer/Leather/Fabric wall panels.

## LOWER HELM POSITION

- Lower helm instruments and controls.
  - Steering wheel.
  - Engine room exhaust fan control switch.
  - Bilge alarm switch panel.
  - Port and Starboard engines displays.
  - Trim tab gauge.
  - Navigation display unit.
  - Magnetic compass.
  - Rudder angle gauge.
  - HMI Alarm system.
  - Sliding window control switch.
  - Wind shield wiper controls.
  - Bow thruster control switch.
  - Auto pilot.
  - Engine throttle.
  - Port and STBD engine warning, diagnostic, shutdown and ignition controls.
  - Trim tab switches.
  - Anchor winch switch.
  - Bilge pump switches.
  - Navigation switches of horn, anchor light, navigation light, pilot house light, gauge light.
  - Forward search light switch.
  - Search light selector switch.
  - Port and STBD side chillers control switch.
  - Pilot house A/C unit control switch.
  - Hydraulic steering switch panel.

## CORRIDOR

- Teak floor steps to lower cabins.
- Stainless steel hand rail.
- Upper deck AC and DC distribution panels.
- Steps to owner's room.
- Fitted carpet.
- Lower deck AC and DC distribution panels.
- Fire hydrant valve with hose reel and nozzle.
- LED lighting to steps.
- Architectural lighting.
- Lighting switches and AC sockets.
- Veneer/Fabric/Leather wall panels.

## OWNER'S CABIN

- Full beam cabin with triple vertical portholes each side (one opening).
- Large double bed with mattress, pillows and bedspread.
- Bed side tables with shelves.
- Shelves with stainless steel railing.
- Port and Starboard side wardrobe with shelves.
- Sofa seat.
- Desk.
- Stool.
- Storage under the bed.
- Refrigerator.
- Portholes with curtains.
- LED rope lighting under the bed.
- Reading lights.
- Architectural lighting.

- Lighting switches and AC sockets.
- Air conditioning with control switch.
- Fitted carpet.
- Entrance door to ensuite.
- Entrance door to dressing room.
- Veneer/Fabric/Leather wall panels.

## OWNER'S BATHROOM

- Corian counter top (Marble optional).
- 2 x Wash basins and taps with hot and cold water supply.
- Storage lockers and drawers.
- Mirror side storage locker with shelves.
- Mirrors.
- Port hole with blinds.
- Extractor fan.
- Electric toilet.
- Bidet.
- Complete set of sanitary accessories (Tooth brush holder, soap holder, brush holder, towel hook and towel rail).
- Marble flooring (optional).
- Glass doors to shower room.
- Hot and cold water shower mixer.
- Sky shower.
- LED rope lighting in shower room.
- Architectural lighting.
- Lighting switches and AC sockets.

## DRESSING ROOM

- Drawers for storage.
- Shelves.
- Full height mirror.
- Architectural lighting.
- Lighting switches and AC sockets.
- Wardrobe.
- Fitted carpet.
- Veneer/Fabric/Leather wall panels.

## PORT GUEST CABIN

- 2 x Single beds with mattress, pillows and bedspreads.
- Bed side table.
- Drawer to bed.
- Wardrobe.
- Port hole with curtain.
- Reading lights.
- Architectural lighting.
- LED decorative lighting.
- Lighting switches and AC sockets.
- Air conditioning with control switch.
- Veneer/Fabric/Leather wall panels.
- Fitted carpet.

## PORT GUEST BATHROOM

- Corian counter top (Marble optional).
- Wash basin and tap with hot and cold water supply.
- Electric toilet.
- Hot and cold water shower mixer.
- Sky shower.
- Extractor fan.
- Glass door to shower room.
- Porthole with Blinds.
- Complete set of sanitary accessories (Tooth brush holder, soap holder, brush holder, towel hook

and towel rail)

- Mirror.
- Storage locker and shelves.
- Marble flooring (optional).
- Architectural lighting.
- LED decorative lighting.
- Lighting switches and AC sockets.

#### STARBOARD GUEST CABIN

- 2 x Single beds with mattress, pillows and bedspreads.
- Bed side table.
- Wardrobe.
- Port hole with curtain.
- LED decorative lighting.
- Reading lights.
- Architectural lighting.
- Lighting switches and AC sockets.
- Air conditioning with control switch.
- Veneer/Fabric/Leather wall panels.
- Fitted carpet.
- Entrance door to ensuite.

#### STARBOARD GUEST BATHROOM

- Corian counter top (Marble optional).
- Wash basin and tap with hot and cold water supply.
- Electric toilet.
- Hot and cold water shower mixer.
- Sky shower.
- Extractor fan.
- Glass door to shower room.
- Porthole with Blinds.
- Complete set of sanitary accessories (Tooth brush holder, soap holder, brush holder, towel hook and towel rail).
- Mirror.
- Storage locker and shelves.
- Marble flooring (optional).
- LED decorative lighting.
- Architectural lighting.
- Lighting switches and AC sockets.
- Veneer/Fabric/Leather wall panels.
- Fitted carpet.
- Entrance door to ensuite.

#### VIP GUEST CABIN

- Large double bed with mattress, pillows and bedspreads.
- Bed side tables.
- Deck hatch with fly screen and blind.
- Port and Star board side wardrobe.
- Shelves.
- Desk and stool.
- Drawer to bed.
- Portholes with curtains.
- Storage space under the bed.
- LED decorative lighting.
- Reading lights.
- Architectural lighting.
- Lighting switches and AC sockets.
- Air conditioning with control switch.
- Veneer/Fabric/Leather wall panels.
- Fitted carpet.
- Entrance door to ensuite.

#### VIP GUEST BATHROOM

- Corian counter top (Marble optional).
- Wash basin and tap with hot and

cold water supply.

- Electric toilet.
- Hot and cold water shower mixer.
- Sky shower.
- Extractor fan.
- Glass door to shower room.
- Complete set of sanitary accessories (Tooth brush holder, soap holder, brush holder, towel hook and towel rail).
- Mirror.
- Storage locker and shelves.
- Marble flooring (optional).
- LED decorative lighting.
- Architectural lighting.
- Lighting switches and AC sockets.

#### GALLEY

- Corian counter top.
- S.S Sink and tap with hot and cold water supply.
- Storage lockers and drawers.
- Overhead lockers.
- Full height refrigerator.
- 4 – Burner hot plate.
- Hob rail.
- Microwave oven.
- Dish washer.
- Cooker hood.
- Washing machine.
- Oven.
- Cupboard with corian top.
- Stairs to main saloon.
- Lockable water tight door leading to swim platform.
- Lockable water/gas tight door to engine room.
- Port hole with blinds.
- Steps to swim platform.
- Architectural lighting.
- Lighting switches and AC sockets.
- Air conditioning with control switch.
- Veneer wall panels.
- Entrance door to captain room.
- Entrance door to crew room.
- Vinyl flooring.

#### CREW CABIN

- 2 x Single bunk beds with mattress, pillows and bedspreads.
- Port hole with curtains.
- Entrance door to toilet.
- Reading lights.
- Architectural lighting.
- Lighting switches and AC sockets.
- Air conditioning with control switch.
- Wardrobe with shelves.
- Veneer/Fabric/Leather wall panels.
- Vinyl flooring.

#### CAPTAIN ROOM

- 2 x Single bunk beds with mattress, pillows and bedspreads.
- Storage space under the bed.
- Wardrobe with shelves.
- Entrance door to toilet.
- Air conditioning with control switch.
- Reading lights.
- Architectural lighting.
- Lighting switches and AC sockets.
- Veneer/Fabric/Leather wall panels.
- Vinyl flooring.

#### CREW AND CAPTAIN

##### CABIN BATH ROOM

- Corian counter top.
- S.S. Sink and tap with hot and cold water supply.
- Storage locker.
- Electric toilet.
- Extractor fan.
- Hot and cold water shower mixer.
- Sky shower.
- Mirrors to doors.
- Complete set of sanitary accessories (Tooth brush holder, Soap holder, Paper holder, Brush holder, Towel rail, Towel hook).
- Mirror.
- Port hole with curtain.
- Architectural lighting.
- Lighting switches and AC sockets.
- Vinyl flooring.

##### ENGINE ROOM

- 2 x Main engines (1550 HP, 2300 RPM).
- 1 x Generator (33KW).
- Under water exhaust system with bypass to transom.
- Air conditioning chillers.
- Chillers control panels.
- Sea water and chiller water pumps.
- Fixed fire extinguishers system.
- Portable fire extinguishers.
- 3 x Bilge pumps (each capacity 2000GPH).
- Exhaust fan.
- Intakes for air circulation.
- Oil exchange system for engines/generators.
- Flexible mountings for engines.
- Ventilation openings are equipped with fire flaps.
- Siren.
- Fire bell.
- Sea water cooling system for generators and engines.
- Temperature sensors on water jackets.
- FRP exhaust mufflers.
- FRP non skid flooring.
- Fresh water out lets.
- Lighting switches and AC sockets.
- Lockable water/gas tight door.
- Main electrical panels.
- Tank sentry monitoring panels.
- Ceiling, sides and bulkheads of engine room are completely insulated with sound proofing and heat insulated materials.

##### ELECTRICAL SYSTEM

- 380/220V, 3-phase, 50Hz electrical system.
- Main power supplied by generator 33Kw, 50Hz, 380/220V.
- 3-phase dockside connection (100Amp) with cable.
- 2 x 12V, 200Amp Batteries for Port side engine.
- 2 x 12V, 200Amp Batteries for Stbd engine.
- 2 x 12V, 200Amp Batteries for House.
- 2 x 12V, 200Amp Batteries for

Machinery.

- 2 x 12V, 100 Amp Batteries for Generator.
- Port and Stbd engines battery banks interconnection.
- Batteries are charged by three battery chargers.
- 80Amp, 24V Battery charger for engines batteries.
- 100Amp, 24V Battery charger for house and machinery battery charger.
- Main switch board system equipped with magnetic contactors, overload protections and short circuit protections and polarity indication.
- Outgoing circuits protected by circuit breakers.
- Secondary distribution panels are placed at:
  - Main deck (stair case).
  - Lower deck (passage).
- Tank sensors for all tanks.
- 220V AC Power outlets in all cabins.
- All sea cocks under the water line are grounded.

##### ENTERTAINMENT SYSTEM

##### MAIN SALOON

- 40" LCD TV (Sony) – 01no.
- DVD Home theater system (Bose, Life style 48 Series) – 01no.
- Satellite receiver (Humax) – 01no.

##### OWNER CABIN

- 32" LCD TV (Sony) - 01no.
- DVD Home theater system (Bose, Life style 38 Series) -01no.
- Satellite receiver (Humax) – 01no.

##### AFT COCKPIT

- Ceiling speakers (Bose) - 02no.

##### FLY-BRIDGE

- Ceiling speakers (Bose) - 02no.
- PORT GUEST CABIN: (optional)
- LCD TV.
- Satellite receiver.

##### STBD GUEST CABIN (OPTIONAL)

- LCD TV.
- Satellite receiver.

##### VIP CABIN (OPTIONAL)

- LCD TV.
- Satellite receiver.

##### POWER AND DRIVE SYSTEMS

- Power assisted electro hydraulic steering system.
- Bow thruster 15HP with dual station controls.
- Stern thruster 13HP with dual station controls (optional).
- Direct shaft drive through tunnel.
- 2x Propellers, 5-bladed, AB2 material.
- 2 x Bronze P-brackets.
- 2 x Bronze Rudders.
- 2 x Stainless steel shafts.
- 2 x Hydraulic trim tabs.
- Seawater strainers for main engines.
- Cathodic protection provided by

cross bonded zinc anodes.

##### FIRE EXTINGUISHING SYSTEM

- Fixed fire extinguisher in engine room connected with pull cable to cockpit.
- Hand operated portable fire extinguishers installed for immediate use in all cabins.
- Owner's room.
- VIP room.
- Port side guest room.
- STBD side guest room.
- Main console.
- Galley.
- Crew cabin.
- Captain cabin.
- Engine room.
- Fly-Bridge.
- 1 x Mechanical pump for fire purpose.
- Fire hydrant valves with hose reel and nozzles at:
  - Lower deck (corridor).
  - Galley.
  - Aft cockpit (starboard side).

##### BILGE SYSTEM

- Bilge water high level alarm system.
- Automatic bilge pumps to be fitted in all water tight compartments with automatic float switches.
- Automatic electric Bilge pumps (2000 GPH) at,
  - Bow thruster hatch – 01no.
  - Corridor – 01.
  - Owner's room – 02no.
  - Engine room – 03no.
  - Crew cabin – 01no.
  - Rudder compartment – 01no.

##### FUEL SYSTEM

- Total Fuel capacity 2000 US Gallons (7600 Liters).
- Port side fuel tanks each capacity 875 US Gallons.
- Starboard side fuel tanks each capacity 875 US Gallons.
- Day tank capacity 250 US Gallons.
- Fuel gauges in engine room.
- Fuel fillers on port and starboard side decks.
- High capacity fuel filters for generator and engines.
- Manual fuel shutoff valve with pull-out pin cable fitted at aft cockpit.
- Isolation valves to fuel manifold.
- Interconnection fuel lines are made of stainless steel.
- Manual and electric oil change pump.
- All tanks provided with manhole covers, ventilation pipes and connection pipes to manifold.
- Manual and electric pump lubricating oil change system for engines and generators.

##### FRESH WATER SYSTEM

- Water tank capacity 300 US Gallons (1140 liters).
- Pressurized hot and cold water

system.

- 1 x 24VDC Fresh water pump and accumulator.
- 1 x 220VAC Fresh water pump and accumulator.
- 1 x Water heater capacity 50Liters.
- Water heated by 220V immersion heater for hot water.
- Pump circuit breaker at main switch panel.
- Water level monitoring panel in engine room.
- Water fillers on side deck.
- 26mm Geberit Mepla piping throughout supplying all outlets.
- 32mm Geberit Mepla piping from tank to manifold.
- Dock connection for shore water supply on aft swimming platform with pressure regulator.
- Fresh water deck wash connection at aft swim platform and forward area.

##### BLACK WATER AND GREY WATER SYSTEM

- Black water tank capacity 75 US Gallons (284Liters).
- Grey water tank capacity 75 US Gallons (284 Liters).
- Separate grey water tank for Galley and Crew cabin with capacity 20 US Gallons (75 Liters).
- Automatic/Manual control system Black and Grey water pumps.
- Black and Grey water pumps on 24VDC.
- Electric Tecma toilets.
- Black and Grey water tank monitoring panel in engine room.
- Black tank overboard discharge on side deck.
- Manifold system for black water.
- All plumbing lines are PVC and flexible hoses.
- Electric tank sensors for tanks.

##### AIR CONDITIONING SYSTEM

- Chilled water air conditioning system with capacity 148000 BTU.
- All compressors on 220VAC, 1-phase.
- All air handlers on 220VAC, 1-phase.
- 2 x chiller water pumps.
- 2 x Sea water pumps for chillers.
- Plumbing lines are PVC pipes.
- Plumbing lines are well insulated.
- Air conditioning control switches in all cabins.

##### MISCELLANEOUS

- Fenders-06no.
- First Aid kit-01no.
- Fire blanket-01no.
- Tool kit-01no.
- 14mm Rope 100 feet.

# GULF CRAFT PRODUCT RANGE

## MAJESTY YACHTS

SUPERYACHT COLLECTION **101 - 155**

---

**ABOVE** Majesty 155

Gulf Craft launched its range of luxury fly-bridge yachts under the name of Majesty Yachts in 2004, and today features an innovative and extensive yacht range from 101 feet to 155 feet.

Majesty Yachts relies on an in-house design team, as well as on Dutch, Italian, British and Australian designers, catering to diverse global tastes in exterior styling and interior design. The Majesty Yachts team combines technical know-how, practical experience, and decades of steady investment to deliver personalized luxury without the price premium.

## NOMAD YACHTS

**ABOVE** Nomad 65

---

The Nomad Yachts is the latest masterpiece created by Gulf Craft. The brand Nomad Yachts was first introduced to the world in 2015 at the Dubai International Boat Show. Although a young brand, the Nomad Yachts has quickly witnessed international success when in the month following its premiere, it was debuted in Europe, Africa and Asia. The brand new line of yachts is designed for serious boating enthusiasts who are looking to take their passion onto the high seas.

## SILVERCRAFT

---

**ABOVE Silvercraft 36 HT**

Year after year, we're striving to exceed our customers' expectations. That's why we created the new Silvercraft fishing boats and family cruises. Continuing the Gulf Craft reputation for constant innovation and superior standard of quality, the Silvercraft range combines advanced hull designs, superior performance and evolving styles.

With the company founders being seasoned seafarers themselves, every new boat type is carefully designed and rigorously tested before introduction to the market. The strive for application of the latest technologies and to meet the design requirements of our customers spread all over the globe, is forcing a constant rejuvenation and rethinking of the production process, our products and services, manifesting itself in our ever-improving product quality, trying to redefine powerboating every single day.

## ORYX

---

**ABOVE Oryx 42**

In 2006 Gulf Craft introduced the Oryx sport yachts and cruisers – the sea-borne equivalent of an elite sports car – that became an instant hit within weeks of its launch. Today the Oryx has evolved into a range of high-performance sport yachts and cruisers of different sizes that are exported worldwide.

Always innovative, the Oryx range continues to offer outstanding value-for-money and uncompromising on water performance for the growing sports cruiser market.

Pictures in this catalogue may be taken from different vessels of the same type for example purpose only. Performance estimates are given in good faith, but are in no way guaranteed. Dirt on the hull, damage to the propellers, external water and air temperatures and added weight, fuel and water carried can all adversely affect performance. For these and other reasons we can give no performance guarantees. Data and characteristics are not binding: details, colors, descriptions and illustrations are for information purpose only. The drawings and pictures may include specific equipment or modifications which are not part of the standard specifications of the vessel. Standard specifications may be defined differently in different sales territories. Gulf Craft Inc. reserves the right to make any changes in specifications or equipment without prior notice. In case on any inconsistencies between specification sheet, product catalogue and price list, the price list prevails. Customers are recommended to contact one of our sales representatives to reconfirm standard and optional features on the vessels.
