HULL AND SUPERSTRUCTURE

CONSTRUCTION

- FRP sandwich construction with M-Foam closed core cell applied by the way of vacuum bagging below the design waterline
- Hand layup unidirectional fiberglass reinforcements with balsa fill cored above the design waterline
- Lamination with isopathalic polyester resin and skin coat with vinyl ester resin
- Solid fiberglass laminate keel and chines
- Foam core reinforced stringer system
- Hand layup M-Foam sheet frames and bulkheads

SUPERSTRUCTURE

- FRP sandwich lamination with balsa core sandwich
- Hand layup M- Foam sheet frames

DECK FITTINGS

- Teak laid deck at aft cockpit, swim platform, and stairway
- 2 x hydraulic anchor windlasses with fore deck and helm controls
- 2 x stainless steel anchor pockets for anchor launch and retrieve
- 2 x kedge anchors SHHP 97 kg with galvanized iron chains 16 mm diameter, 110 m length
- Deck hatch access to chain locker
- 2 x capstans on port and starboard side
- Forward deck hatch access to VIP cabin
- Full set of navigation lights
- Forward and aft search light with dual station controls
- Electric air horn
- Black tank over board discharge on side deck
- Fuel and fresh water fillers on side deck
- Stainless steel guard rails
- Port and starboard side windows
- Front wind screen
- Wind screen wipers with fresh water wash system
- 4 x deck cleats, two on forward area, and two on aft cockpit
- 6 x hawser pipes, two on forward, two on aft cockpit and two on amidships
- Fresh water deck wash outlets at swim platform and forward area
- Water tight side deck doors on port and starboard side
- Side pantograph door on upper deck starboard side gunwale to wheel house
- Hydraulic power operated garage door

Exterior Specifications

Sun Deck

- Stainless steel stanchions to hard top
- Stainless steel guard railings
- FRP hard top
- Wind deflector screen
- Fully fitted wet bar with counter top
- Stainless steel sink and tap with hot and cold water supply
- Fridge
- Ice maker
- Electric barbeque
- Upholstered sofa seating on port and starboard side
- Port and starboard side teak tables
- Storage under the sofa seats
- Upholstered helm seat
- Lighting on underside of hard top
- 4 x bar stools
- Self draining

SUNDECK HELM POSITION

Sundeck helm position instruments and controls

- Steering wheel
- Port and starboard engine's displays
- Port and starboard engine's control panel
- Trim tab gauge
- Rudder angle gauge
- Magnetic compass
- Forward and aft search light control panels
- Trim tabs control switches
- Bow thruster control
- Navigation displays
- Engine's throttle
- Autopilot display
- 2 x Wind displays
- VHF hand set
- Switches of Instrument lights, deck lights, flood lights, ceiling lights, horn

UPPER DECK

- Stainless steel stair way with teak steps from upper deck to sundeck
- Starboard side pantograph door to wheel house
- Jacuzzi system
- Awning machine on aft side
- Head shower with hot and cold water supply
- Storage under sofa seats
- Escape hatch from VIP cabin
- Stainless steel stanchions
- Stainless steel railings
- Steps to bow area
- Stairway to main deck port side gunwale
- Lighting switches and AC outlet
- Self draining

MAIN DECK

- Integral stairway from main deck to upper deck
- Port side gunwale stairway from main deck to upper deck
- Stainless steel framed sliding door to main saloon from aft cockpit
- Stainless steel framed sliding door to main saloon from starboard side balcony
- Side pantograph door to crew lounge located on starboard side gunwale
- Starboard side lockable door for main lobby
- Port side lockable door for main galley
- Teak table with stainless steel bases
- Upholstered sofa seats
- Storage under sofa seats
- Stainless steel stanchions
- Stainless steel transom doors
- Bulwark doors on port and starboard side aft cockpit
- 2 x Pop-up cleats at swim platform, each on port and starboard side
- Steps down to swim platform
- Hot and cold water transom shower at swim platform
- Recessed locker with port and starboard side fire dampers pull handle, engine room fixed fire extinguisher pull handle and fuel shutoff valve pull handle at aft cockpit
- LED lighting to upper deck staircase
- Self draining

AFT COCKPIT STARBOARD SIDE DOCKING STATION

- Aft cockpit starboard side docking station instruments and controls as below:
 - Engine throttle
 - Rudder angle indicator
 - Engine's control panel
 - Bow thruster control
 - Steering joystick

INTERIOR SPECIFICATIONS

UPPER DECK : WHEEL HOUSE

- Helm seat with fore and aft adjustment
- Low counters for storage
- Air conditioning
- Port and starboard side windows
- Wooden flooring
- Architectural lighting
- Lighting switches and AC sockets

WHEEL HOUSE HELM POSITION

- Wheel house helm position instruments and controls
- Steering wheel
- Port and starboard side engine's displays
- Port and starboard side engine's control panels
- Alarm monitoring system display
- Fire alarm detection control
- Engine throttle
- Stabilizer display
- Stabilizer pump selector control panel
- Steering system control panel
- Steering joystick panel
- Camera system display
- Bow thruster control
- Magnetic compass
- Rudder angle indicator
- Engine room exhaust fan control panel
- Bilge pumps control panel
- Main switch board display
- Trim tab gauge
- Trim tab switches
- Front wind screen wiper controls
- Navigation displays
- Autopilot display
- 2 x Wind displays
- Anchor winch control panels
- Forward and aft search light selector panel and control panel
- VHF radio with hand set
- Emergency control panel
- Horn switch
- Light switches panel with switches of navigation lights, instrument lights, anchor lights, underwater lights, pilot lights, forward flood lights, dashboard, signage.

LOBBY

- Architectural lighting
- Lighting switches
- LED lighting to staircase
- Entrance door to owner's cabin
- Marble flooring

OWNER'S CABIN

- Large double bed
- Bed side tables
- Wardrobes
- Vanity desk with chair
- Sofa and table
- Storage counter
- Drawers to bed
- Side windows with electric roman blinds
- Air conditioning
- Architectural lighting
- Lighting switches and AC sockets
- Wooden flooring
- Carpet with design
- Door with glass design to owner's bathroom

Owner's Bathroom

- Vanity counter with marble top
- 2 x wash basin and tap with hot and cold water supply
- Vanity mirror
- Overhead lockers
- Electric toilet
- Bidet
- Jacuzzi
- Hot and cold water shower mixer
- Head shower
- Hand shower
- Shower seat
- Glass door to shower room
- Architectural lighting
- Complete set of sanitary accessories
- Lighting switches and AC sockets
- Marble flooring

Main Deck

Foyer

- Electric curtains to patio door
- Air conditioning
- Architectural lighting
- Lighting switches and AC sockets

DINING AREA

- Dining table with glass top
- Dining chairs
- Port and starboard lower counters
- Side windows with electric privacy blinds and roman blinds with blackout
- Architectural lighting
- Lighting switches and AC sockets
- Air conditioning
- Wooden flooring
- Entrance door to main galley

MAIN GALLEY

- Storage with shelves
- Induction hob
- Ice maker
- Bottle cooler
- Coffee machine
- Refrigerator
- Microwave Oven
- Dishwasher
- Stainless steel sink with hot and cold water
- Side windows with pleated blinds
- Overhead cabinets
- Door to laundry/storage area
- Air conditioning
- Architectural lighting
- Lighting switches and AC sockets

LAUNDRY / STORAGE

- Storage cabinets
- 2 x Washer/dryer
- Stairway to crew lobby

MAIN LOBBY

- Entrance door to dayhead
- Stair case to lower deck
- Storage area
- Architectural lighting
- Marble flooring
- Lighting switches and AC sockets
- Audio/ video room with storage on top

DAY HEAD

- Wash basin and tap with hot and cold water supply
- Electric toilet
- Vanity mirror
- Complete set of sanitary accessories
- Architectural lighting
- Lighting switches and AC sockets
- Marble flooring

GYMNASIUM

- Seat
- Storage for weight lifting equipments
- Wooden flooring
- Architectural lighting
- Lighting switches and AC sockets
- Door to VIP cabin

VIP CABIN

- Large double bed
- Bed side tables
- Wardrobes
- Drawers
- Vanity desk with chair
- Low counter
- Storage counter
- Shelves
- Drawers to bed
- Storage under bed
- Side windows with electric roman blinds
- Air conditioning
- Architectural lighting
- Lighting switches and AC sockets
- Fitted carpet
- Long term and hidden storages

VIP BATHROOM

- Vanity counter with marble top
- 2 x wash basin and tap with hot and cold water supply
- Vanity mirror
- Overhead lockers
- Storage
- Electric toilet
- Extractor fan
- Bidet
- Niche
- Hot and cold water shower mixer
- Head shower
- Glass doors to shower room
- Architectural lighting
- Complete set of sanitary accessories
- Lighting switches and AC sockets
- Marble flooring

LOWER DECK

GUEST LOBBY

- Stairs from main lobby
- Architectural lighting
- Lighting switches
- LED lighting to steps
- Entrance door to port double guest cabin
- Entrance door to starboard double guest cabin
- Entrance door to port twin guest cabin
- Entrance door to starboard twin guest cabin

PORT DOUBLE GUEST CABIN

- Large double bed
- Bed side tables
- Drawers to bed
- Vanity desk with chair
- Storm shutter storage
- Wardrobe
- Side windows with electric roman blinds
- Air conditioning
- LED decorative lighting
- Architectural lighting
- Lighting switches and AC sockets
- Fitted carpet
- Entrance door to bathroom

PORT DOUBLE GUEST BATHROOM

- Vanity counter with marble top
- Wash basin and tap with hot and cold water supply
- Vanity mirror
- Porthole with pleated blinds
- Electric toilet
- Glass doors to shower room
- Hot and cold water shower mixer
- Head shower
- Architectural lighting
- Complete set of sanitary accessories
- Lighting switches and AC sockets
- Marble flooring

STARBOARD DOUBLE GUEST CABIN

- Escape hatch through wardrobe to port side double guest cabin
- Large double bed
- Bed side tables
- Drawers to bed
- Vanity desk with chair
- Storm shutter storage
- Wardrobe
- Side window with electric roman blinds
- Air conditioning
- LED decorative lighting
- Architectural lighting
- Lighting switches and AC sockets
- Fitted carpet
- Entrance door to bath room

STARBOARD DOUBLE GUEST BATHROOM

- Vanity counter with marble top
- Wash basin and tap with hot and cold water supply
- Vanity mirror
- Porthole with pleated blinds
- Electric toilet
- Glass door to shower room

- Hot and cold water shower mixer
- Head shower
- Architectural lighting
- Complete set of sanitary accessories
- Lighting switches and AC sockets
- Marble flooring

PORT TWIN GUEST CABIN

- 2 x Single beds
- 1 x Pullman bed
- Bed side table
- Wardrobe
- Drawers to beds
- Vanity desk with chair
- Side window with electric roman blinds
- Air conditioning
- Architectural lighting
- LED decorative lighting
- Lighting switches and AC sockets
- Fitted carpet
- Entrance door to bathroom

PORT TWIN GUEST BATHROOM

- Vanity counter with marble top
- Wash basin and tap with hot and cold water supply
- Vanity mirror
- Open shelves
- Electric toilet
- Hot and cold water shower mixer
- Head shower
- Porthole with pleated blinds
- Glass door to shower room
- Complete set of sanitary accessories
- Architectural lighting
- Lighting switches and AC sockets
- Marble flooring.

STARBOARD TWIN GUEST CABIN

- 2 x Single beds
- 1 x Pullman bed
- Bed side table
- Wardrobe
- Drawers to beds
- Vanity desk with chair
- Side window with electric roman blinds
- Air conditioning
- Architectural lighting
- LED decorative lighting
- Lighting switches and AC sockets
- Fitted carpet
- Entrance door to bathroom

STARBOARD TWIN GUEST BATHROOM

- Vanity counter with marble top
- Wash basin and tap with hot and cold water supply
- Vanity mirror
- Open shelves
- Electric toilet
- Hot and cold water shower mixer
- Head shower
- Glass door to shower room
- Porthole with pleated blinds
- Complete set of sanitary accessories
- Architectural lighting
- Lighting switches and AC sockets
- Marble flooring

CREW LOUNGE

- Counter top
- Stainless steel sink and tap with hot and cold water supply
- Refrigerator
- Overhead storage lockers
- Sofa seats and table
- Portholes with pleated blinds
- Lockable water/gas tight door to engine room
- Air conditioning
- Architectural lighting
- Lighting switches and AC sockets
- Entrance door to captain's cabin
- Vinyl flooring

CAPTAIN'S CABIN

- Large bed
- Bed side table
- Wardrobe
- Porthole with pleated blinds

- Storage under the bed
- Air conditioning
- Architectural lighting
- Lighting switches and AC sockets
- Vinyl flooring
- Entrance door to bathroom

CAPTAIN'S CABIN BATHROOM

- Wash basin and tap with hot and cold water supply
- Vanity mirror
- Electric toilet
- Curtains for shower area
- Teak shower tray
- Hand shower
- Hot and cold water shower mixer
- Complete set of sanitary accessories
- Architectural lighting
- Lighting switches and AC sockets

CREW CABIN 01

- 2 x single bunk beds
- Open shelves
- Wardrobe
- Porthole with roman blinds
- Air conditioning
- Architectural lighting
- Lighting switches and AC sockets
- Vinyl flooring
- Niche
- Entrance door to bathroom

CREW CABIN 01 BATHROOM

- Wash basin and tap with hot and cold water supply
- Electric toilet
- Medicine cabinet
- Niche
- Hot and cold water shower mixer
- Hand shower
- Foldable glass door to shower room
- Complete set of sanitary accessories
- Architectural lighting
- Lighting switches and AC sockets

CREW CABIN 02

- Fire escape hatch to gymnasium
- 2 x single bunk beds
- Open shelves
- Wardrobe
- Porthole with roman blinds
- Air conditioning
- Architectural lighting
- Lighting switches and AC sockets
- Vinyl flooring
- Entrance door to bathroom

CREW CABIN 02 BATHROOM

- Crew Cabin 02 Bathroom
- Wash basin and tap with hot and cold water supply
- Electric toilet
- Medicine cabinet
- Niche
- Hot and cold water shower mixer
- Hand shower
- Foldable glass door to shower room
- Complete set of sanitary accessories
- Architectural lighting
- Lighting switches and AC sockets

Systems Onboard

Engine room equipments

- 2 x main engines
- 2 x generators
- Alarm monitoring display
- Underwater exhaust system
- Air conditioning chillers on port and starboard side
- Chillers control panels
- Fire dampers
- Intakes for air circulation
- Fire Escape hatch from engine room to main saloon
- Extractor fans
- Electric and manual oil exchange system for engines, gear boxes, and

- generators
- Sea water cooling system for engines and generators
- Temperature sensors on engine water jackets
- Fresh water outlets
- Submersible electric bilge pumps
- Lockable water/gas tight door
- Smoke detector and heat detector
- Battery chargers
- Battery banks
- Battery bank switch panels

ELECTRICAL SYSTEMS

- Electrical system of the boat is 3-phase, 230/400V AC, 50 Hz
- Main power supplied to yacht by two generators
- 3-phase dockside connection (100 A) with cable and cable master system
- Main switch board system equipped with magnetic contactors, overload protections and short circuit protections
- Outgoing circuits protected by circuit breakers
- Battery isolation switches
- 2 x 12 V, 200 Ah batteries for port engine
- 2 x 12 V, 200 Ah batteries for starboard engine
- 2 x 12 V, 200 Ah batteries for service
- 2 x 12 V, 200 Ah batteries for machinery
- 2 x 12 V, 200 Ah batteries for emergency
- 2 x 12 V, 100 Ah batteries for port generator
- 2 x 12 V, 100 Ah batteries for starboard generator
- Batteries are charged by three battery chargers
- 100 A, 24 V battery charger for service and machinery batteries
- 30 A, 24 V battery charger for engine batteries
- 30 A, 24V battery charger for generator batteries
- Main panels are placed in the passageway to captain's cabin in crew lounge
- Main switch board 400 VAC, 3 PN, 50 Hz
- 400/230V VAC main distribution panel (1&2)
- 24 V DC distribution panel
- Secondary distribution panels located at:
 - Upper deck distribution panel (wheel house)
 - Main deck distribution panel (main deck lobby)
 - Lower deck distribution panel (lower deck guest lobby)
- Main galley & crew cabin panel (Laundry/storage)
- 24V DC navigation panel (wheel house)
- Emergency system panel (wheel house)
- Aft crew and engine room panel crew lounge
- 230V AC power outlets in all areas
- Cathodic protection provided by cross bonded zinc anodes
- Port and starboard generators battery bank switch panel located at engine room
- Port and starboard engines battery bank switch panel located at engine room
- Service and machinery battery bank switch panel located at aft cockpit

NAVIGATION SYSTEM

- Garmin navigation system
- 3 x 17" multi touch display monitors on the main helm
- 2 x 15" multi touch display monitors on the sundeck helm
- (GRID) Garmin remote input device at main helm
- 2 x Garmin SD card reader
- 2 x Garmin remote sounder GSD 24
- 2 x Garmin GHC 20 marine autopilot control at main helm
- 2 x Garmin GHC 20 marine autopilot

- control at sundeck helm
- 2 x Garmin thru hull bronze transducer
- Garmin GMI 20 marine instrument display at main helm
- Garmin GMI 20 marine instrument display at sundeck helm
- Garmin VHF 200i at main helm with second station at sun deck helm
- 2 x GPS antenna
- 2 x radars (6 kW)
- Night vision camera system
- Camera monitoring system (5 areas); sundeck, main deck aft cockpit, engine room, main deck port side gunwale, main deck starboard side gunwale
- Navigation lights according to the international regulations
- Navigation lights (red and green)
- Stern light
- Mast light
- Anchor light
- Not Under Command lights
- Mast fitted on the sundeck hardtop; the mast provided with lines and hooks signals and with all necessary equipment to antennas, radars, wind speed, navigation lights, lightning arrester, horn, forward and aft search light

ENTERTAINMENT SYSTEM

- Main saloon
- BeoVision Avant 75" TV
- BeoRemote one
- Apple TV
- iPad mini with launch port charger
- 2 x BeoLab 3 speakers on ceiling mount
- Satellite receiver
- Owner's cabin (including bathroom)
- BeoVision Avant 55" TV
- BeoRemote one
- 2 x BeoLab 17 rear speakers on wall bracket
- Apple TV
- iPad mini with launch port charger
- BeoSound Essence
- Essence remote
- 6.5" flush mount speaker
- Beo Link passive amplifier
- Satellite receiver

- Gym
- 8" flush mount speaker

- Main galley
- 8" flush mount speaker

- Sundeck
- 6 x 8" flush mount speaker

- Upper deck
- 4 x 8" flush mount speakers
- Main deck aft cockpit
- 4 x 8" flush mount speakers
- Forward deck area
- 2 x 8" flush mount speakers

POWER AND DRIVE SYSTEMS

- Electro-hydraulic servo assisted steering system
- Direct shaft drive through tunnel
- Hydraulic bow thruster 65 hp
- 2 x propellers, 5-blade, AB2 material
- 2 x rudders
- 2 x P-brackets
- 2 x duplex steel tail shafts
- 2 x hydraulic trim tabs

FUEL SYSTEM

- FRP fuel tanks with total capacity 4613 US gal (17,462.10 l)
- Port and starboard side fuel tanks interconnection with fuel day tank
- Fuel fillers on port and starboard side decks
- Manual fuel shutoff valve connected with pull handle located at aft cockpit
- Fuel filters for engines and generators
- All tanks provided with manhole covers, ventilation pipes and connection pipes to manifold
- Isolation valves to fuel manifold
- Interconnection fuel lines are made of stainless steel pipes
- Electric tank sensors

FRESH WATER SYSTEM

- FRP fresh water tank with capacity 1000 US gal (3785.41 l)
- Pressurized hot and cold water system
- 24V DC fresh water pump
- 230V AC fresh water pump
- 3 x water heaters (each capacity 100 l)
- Water maker capacity 140 l/h for fresh water
- Water filler on side deck
- Electric tank senders
- Mepla piping throughout supplying all outlets
- Dock connection for shore water supply on aft swimming platform with pressure regulator
- Fresh water deck wash connection at aft swim platform and forward area
- Bilge water high level alarm system
- Auto float switches in each water tight compartment beneath the following area:
 - Forward crew cabin
 - Guest lobby
 - Bow thruster area
 - Forward water heater area
 - Engine room
 - Rudder compartment
- Bilge suction lines connected to manual diaphragm pump and electric pumps with bypass valves for suction of the bilge water from engine room, rudder compartment and forward area.

AIR CONDITIONING SYSTEM

- Chilled water air conditioning system with total capacity 174,000 Btu
- All compressors on 400 VAC, three phase
- All air handlers on 230 VAC, single phase
- All air handlers connected with chillers system
- 2 x chilled water pumps
- 2 x sea water pumps
- Air conditioning control switches in all areas
- Plumbing lines are made of PVC pipes
- Pipe lines are well insulated

AIR HANDLER LOCATIONS

UPPER DECK PORT SIDE

- Owner's cabin @ 18,000 BTU
- Owner's bathroom @ 12,000 BTU
- Wheel house @ 18,000 BTU

UPPER DECK STARBOARD SIDE

- Owner's cabin aft @ 18,000 BTU
- Owner's cabin fwd @ 18,000 BTU
- Upper deck lobby @ 12,000 BTU
- Wheel house @ 18,000 BTU

MAIN DECK PORT SIDE

- Saloon aft @ 24,000 BTU
- Saloon fwd @ 18,000 BTU
- Dining area @ 2 x 18,000 BTU
- Main galley @ 2 x 18,000 BTU
- VIP cabin @ 18,000 BTU

MAIN DECK STARBOARD SIDE

- Saloon aft @ 24,000 BTU
- Saloon fwd @ 12,000 BTU
- Dining area @ 24,000 BTU
- Main lobby @ 18,000 BTU
- VIP cabin @ 18,000 BTU

LOWER DECK PORT SIDE

- Captain's cabin @ 12,000 BTU
- Double guest cabin @ 12,000 BTU
- Twin guest cabin @ 12,000 BTU
- Crew cabin 01 @ 6,000 BTU

LOWER DECK STARBOARD SIDE

- Crew lounge @ 18,000 BTU
- Double guest cabin @ 12,000 BTU
- Twin guest cabin @ 12,000 BTU
- Crew cabin 02 @ 6,000 BTU

INSULATION

- Ceiling sides and bulkheads of engine room completely insulated with rock wool
- Accommodation space and superstructure insulated with sound insulation foam
- Sound stop insulation between the engine room and double guest cabin's bulkhead
- All insulation on ship sides and decks properly sealed with aluminum tape where foreseen

SAFETY EQUIPMENTS

- 19 x life jackets for adults
- 2 x life rings
- 4 x liferafts (each capacity 8 persons)

MISCELLANEOUS

- 6 x fenders
- First aid kit
- Fire blanket
- Tool kit
- Mooring ropes
- 2 x boat hooks

Pictures in this catalogue may be taken from different vessels of the same type for example purpose only. Performance estimates are given in good faith, but are in no way guaranteed. Dirt on the hull, damage to the propellers, external water and air temperatures and added weight, fuel and water carried can all adversely affect performance. For these and other reasons we can give no performance guarantees. Data and characteristics are not binding: details, colors, descriptions and illustrations are for information purpose only. The drawings and pictures may include specific equipment or modifications which are not part of the standard specifications of the vessel. Standard specifications may be defined differently in different sales territories. Gulf Craft Inc. reserves the right to make any changes in specifications or equipment without prior notice. In case on any inconsistencies between specification sheet, product catalogue and price list, the price list prevails. Customers are recommended to contact one of our sales representatives to reconfirm standard and optional features on the vessels.

SETTING NEW STANDARDS OF LUXURY
