Pictures in this catalogue may be taken from different vessels of the same type for example purpose only. Performance estimates are given in good faith, but are in no way guaranteed. Dirt on the hull, damage to the propellers, external water and air temperatures and added weight, fuel and water carried can all adversely affect performance. For these and other reasons we can give no performance guarantees. Data and characteristics are not binding, details, colors, descriptions and illustrations are for information purpose only. The drawings and pictures may include specific equipment or modifications which are not part of the standard specifications of the vessel, standard specifications may be defined differently in different sales territories. Gulf Craft Inc. reserves the right to make any changes in specifications or equipment without prior notice. In case of any inconsistencies between specification sheet, product catalogue and price list, the price list prevails. Customers are recommended to contact our sales representative to reconfirm standard and optional features on the vessels.
